azing Candor of Oakville Hotelman Before License Board.

VIOLATED LIQUOR ACT

dmitted Selling Liquor in Bottles and Had License Suspe, led.

"I can't run the hotel straight for a year and make it pay," said H.B.Mc-Kinnon, Murray House. Oakville, with amazing candor to the license board yesterday. He freely admitted selling liquor in bottles to persons not resident in his hotel. When the board said that the case in point was merely one of which they had specific incomplete the said that they believed that there had been many others, Mr. Mc-Kinnon frankly admitted that there had been others. "I've made a lot of mistakes," was the way he put it. He could not make the hotel pay and keep within the law, he said.

The board decided to suspend his license for a week from the evening of July 1 to the morning of July 10. He had already been fined \$50 and courts in the police court for the same boffense.

McKinnon said he had to pay \$1400

McKinnon said he had to pay \$1400 a year in rent and taxes. He had taxed to the owner, Murray Williams, that he simply could not make the hotel pay on that basis, but he had failed to get any reduction. He had been present at a meeting in Milton when the chairman had warned hotelkeepers that they must not sell in bot-tles save to guests. He had been spe-cifically warned by Commissioner Dingman. He admitted this. "I can

pingman. He admitted this. "I can tun it for the two summer months intil September 16, and run it ptraight," said he.

The board decided to let him try. "You've been lenient," agreed McKinnon, after he had heard the board's decision. "I appreciate it." The board added that if he did not he might lose his license at a moment's notice.

Board Straightened Out Apparent Muddle Regarding Hamilton Jockey Club.

J. J. Scott and J. H. T. Regan, M.L.A., for Wentworth, appeared befor the license board yesterday with regard to the license for the Hamilton Jockey Club which had been cancelled by the action of the inspector on the previous day. There appeared to have

been a muddle. The board said they had received three applications for Hamilton Jockey Club licenses. The four commissioners of the board had been down to Hamilton and had to report to the chairman that the club rooms for which one license was asked were in the Barton Hotel, which is at the corner of the club's race grounds. The board last year cut off the license for

the public premises under the grand

The delegation yesterday were there to ask for a club license for the members only, in their rooms under the grand stand. This, after discussion, the board decided to grant. It was explained that the club had years ago used rooms in the Barton Hotel, but that they had not done so for years, and had no intention of doing so again They said that they supposed that the complication had arisen from the fact that the manager of the Barton Hotel was a comparatively new man who had nothing to do with the club, and they presumed, he had shown the oners the rooms that the club had once used, under the wrongful mpression that the club desired to use them this year.

Liver derangement is the cause behind these distressing conditions, and only restoration of perfect natural action can effect lasting cure. That is why Dr. Cassell's Instant Relief is so immeasurably superior to the old-fashioned cathartic liverpills and aperient salts. Such things can only give passing relief by foreing the liver to unnatural action, and have to be continued. Dr. Cassell's Instant Relief strengthens the liver, and so brings about natural action in a natural manner,
