COMPLAIN LACK OF SUFFICIENT POLICE

Ratepayers' Association Also Points to Need for Postoffice.

DANFORTH

The lack of proper police supervision in the section was the subject of many complaints at a well-attended meeting of Woodbine Heights Ratepayers' Association, held in Savoy avenue hall, last night.

It was pointed out that the bad behavior of many boys and girls was the cause of much comment throughout the district, and the feeling of the meeting was that more police was an urgent necessity.

It was decided to communicate with High Constable Phillips in this regard. The need of a postoffice for the district and repairs to roadways in various places were also discussed.

The election of officers for the ensuing year was laid over until next meeting. Secretary A. Craft commented on the lack of interest shown in the association by many members and urged greater zeal for the welfare of the section.

Mr. and Mrs. Thomas Finucane, 220 Jones avenue, celebrated their golden wedding, when the happy couple, together with their seven children and fourteen grandchildren, assisted at solemn mass in St. Joseph's Church, Leslie street, and received holy communion.

The celebrant of the mass was Rev. Dr. Arthur O'Leary, rector, and Miss Kathleen Leiby presided at the organ. The "O Salutaris" was exquisitely rendered by Miss Louise Cook.

A thanksgiving breakfast was afterwards held at the home of Mr. and Mrs. Finucane, when felicitations were tendered and many presents received. Mr. and Mrs. Finucane, who are natives of Ireland, were married in St. Michael's Cathedral, November 20, 1870.

The speaker assured Rev. Father Cline that the support of the C.O.P. and the residents of the district for every activity in the interests of the community. Care will be taken of all movements in the citizens' best interests, both social and educational.

During the proceedings Rev. Father Cline presented a handsome clock to W. F. Smith, chairman of the board of governors for his good work in connection with the erection of the building. EARLSCOURT NEWS

In an interview with The World H. Parfrey, a prominent member of the British Imperial Association, stated: "What Earlscourt needs, and always has needed, is more police protection. If there were policemen on point duty, instead of the present system, things would be more satisfactory, and more time saved in case of immediate need. In my opinion the residents would feel safer, if more protection were assured."

On the motion of Mr. Parfrey, at a recent B. I. A. meeting, a letter was sent to the chief of police, in regard to this matter, but nothing has been done as yet.

Owing to the deplorable condition of the roads north of the city limits (Coronation avenue), a coal dealer, unable to make any progress thru the mud, disposed of his coal to residents nearby, who saved him the trouble of taking the fuel back to the yards. WYCHWOOD DESIRES PARK FOR DISTRICT

Rafepayers' Association Appoints Deputation to See Civic Committee.

Wychwood Ratepayers' Association, of which Thos. Jones is president, have appointed a deputation to attend the meeting of the market committee on Tuesday next, when an appeal will be made for a park in the Wychwood district. The most suitable site in view is between Tyrer and Christie streets, and agitation among the residents, especially those interested in sport, is keen at the present time.

Members of York township and other prominent speakers will be present this afternoon, at the Weston town hall, when a meeting will be held for the purpose of selecting delegates for the convention to take place in Toronto on Dec. 1 and 2.

Wychwood residents are up in arms over the state of some of the roads especially Benson ave., where, a prominent resident states, wagons and trucks are sunk in the hubs daily. One truck was in the mud for five hours yesterday, and it took another heavy truck of the same weight to remove it. "This state of affairs," he said, "is a disgrace to the district."

G.V.V.A. MODERATE AND CONSTITUTIONAL

Meeting Protests Against C. P. R. Action in Laying Off Men.

TODMORDEN

Under the auspices of the Todmorden branch, G.V.V.A., a well-attended open meeting was held in the Memorial Hall, Gowan avenue, last night. Alexander MacGregor occupied the chair.

Comrade Harrison, first vice-president, provincial command, spoke on the new G.V.V.A. re-establishment scheme, based on the depreciated dollar. He pointed out how members of the legislature took cognizance of the fact when increasing their own salaries, neglecting, however, to act similarly in the case of returned men and wage earners generally. He also pointed out that the demand of the G.V.V.A. had been moderate and constitutional, hence their frequent success.

W. E. Turley, provincial secretary, appealed strongly to the public not to underestimate or forget the ex-soldier, as shown by experience in other wars. Comrade Joyce of Riverdale executive committee, urged close co-operation among veterans. Comrade Conroy, Toronto district command, said he received assurance from York county council of a \$200 grant to the Christmas tree fund of each of the ten county branches. The meeting went on record as protesting against the discharging of the C.P.R. of ex-soldiers and the replacement of the veterans by cheaper Japanese labor. It was moved that all employment be distributed among the G.V.V.A. branches.

The following artists contributed to an excellent musical program: Mrs. F. E. Webb, A.L.C.M.; Mrs. L. Cott, Miss Mrs. C. Turley, Robert W. E. Turley, H. Sellen and J. Bowman.

A proposition from the provincial government agreed to plant 100,000 acres and care for it for 30 or 40 years, if the county secured the land on condition that the land be returned to the county at the end of that time was added.

Mr. W. M. McKay of Weston, representing the Ontario Horticultural Association, addressed the council, advising that men specialized in the care of forests. He referred to Toronto University recently establishing a botanical department, and urged the formation of a similar institution.
