

MR. JOSEPH RICHARDS

TREASURER.

MR. RICHARDS has been connected with the Grande Ligne Board more than 30 years, during 28 of which he has occupied the office of Treasurer of the Mission. The income of the Mission has more than doubled in the amount of contributions during his term of office. His intimate knowledge of all the missionaries and their fields has made him very useful to the Board in the conduct of its work. He superintends all their building operations,—such as chapels, schools, parsonages, etc.,—and looks after the investments for Endowment Fund, purchasing supplies, etc. He is well posted in all the work of the Mission.

Any person desiring information regarding the Mission, or having money to send to it, please address Mr. Richards, 252 St. James Street, Montreal.
