

GURNEYS IMPERIAL OXFORD

"Meet you at 4 to look at a bicycle? Of course I can, but I chose my new range instead of a wheel—and I wouldn't change it—it makes the work so much easier."

"That's true enough, but I've kept track of the coal this winter, and your blessed Imperial Oxford has made such a saving that I can afford the bicycle too—don't be later than 4."

"Tom, you're a brick—"

"Not me—it's the stove."
