GOODYEAR WINGFOOT HEELS

HIGH TEA AND SALE WELL PATRONIZED

The annual high tea and sale of St. John the Baptist parish was formally opened last evening in the basement of the church, Broad street. At an early hour of the evening the hall was taxed to its fullest capacity and the games and amusements were in fine running order. The rector of the church, Rev. F. J. McMurray, was on hand and extended a hearty welcome to all. Many other Catholic clergy of the city were present also.

One end of the hall was reserved for the tea tables. The effect was a pleasing one; the cut flowers and candles on the tables were neatly arranged and the general appearance of the whole hall was very attractive. The supper served by the ladies of the parish was excellent and they were kept busy throughout the early part of the evening in looking after the wants of the patrons. The affair was given a great send-off last evening and as it will continue for three evenings, with Friday afternoon for the children, it is safe to say that it will be very successful.

The committees in charge of the several departments are as follows:-
Supper ladies: Mrs. S. O'Connor, convener. Ladies in charge: Mesdames R. Callaghan, T. Tremblay, A. D. Farrell and Geo. McBurnett; assistants, Misses D. Sagar, T. Sagar, K. Monee, B. Monee, M. McLaughlin, L. Morrissey, P.

Dandruff Soon Ruins the Hair. Girls-if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you wash it. It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to use Dandruff. It then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

Alkali in Shampoos Bad for the Hair. If you want to keep your hair looking its best, be careful when you wash it with. Don't use prepared shampoos or anything else, that contains too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just ordinary mulford coconut oil (which is pure and greaseless), and is better than anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rises out easily, removing every particle of dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get mulford coconut oil at any pharmacy; it's very cheap, and a few ounces will supply every member of the family for months.

Sick-Headache!

Dr. J. J. Caldwell says that this exceedingly distressing disease does not shorten life, but does appear to be curable. But, as the attacks are so frequent, and so often recur, while care is being taken, it is a preventive measure. An attack may be prevented by taking two anti-kamnis tablets when the first symptoms appear, and one anti-kamnis tablet every two hours during the attack shortens it, eases the pain and brings rest and relief. Anti-kamnis tablets may be obtained at all druggists. Ask for A-K-Tablets. They quickly relieve all pain.

FIRST AID!

In case of severe toothache, rush your patent to one of our offices where instant relief may be obtained.

We do work painlessly and well.

Keep to the Right.

The commissioner of police in London has issued notice in view of the darkened conditions of the streets asking the public to keep to the right when walking on pavements. Neglect of this rule is particularly noticeable in West End streets. Many accidents are caused by people walking on the wrong side who force others, or are themselves forced, suddenly to step out into the roadway in front of approaching vehicles.
