Through all her pain at times she smiled,
A smile of heavenly mirth,
And when the angels called her home
She smiled farewell to earth.

MINERS PUT ASIDE THE PEACE TREATY

First Vote Down Resolution Endorsing League of Nations And Senate Ratification
Cleveland, Ohio, Sept. 19.—The convention of the United Mine Workers of America yesterday voted down a resolution endorsing the League of Nations and calling upon the senate to ratify it without amendment and without further delay. The convention by a large majority then voted to table the entire subject including motions against the adoption of the League of Nations as now constituted. The debate showed a wide range of opinion for and against, indicating that the miners were sharply divided on this question. The motion to table the subject was carried largely on the agreement that the peace treaty had now become a political issue on which a labor convention should not be called upon to take action.

Will School Work Strain the Eyes?

Frequently children are not able to do good work in school because they do not see the blackboard or the printed page distinctly. The child doesn't know that he can't see well, and is called stupid or backward, when the trouble is physical, not mental. A pair of properly fitted glasses often makes the dull pupil one of the brightest in the room.
We are especially well equipped to take care of the eyes of children and will be glad to have you consult us about your child's eyes.

CATARRH DOES HARM

Whether It Is of the Nose, Throat, or Other Organs, Get Rid of It.
Catarrh of the nose or throat when it becomes chronic weakens the delicate lung tissues, deranges the digestive organs, and may lead to consumption. It impairs the taste, smell and hearing, and affects the voice. It is a constitutional disease and requires a constitutional remedy.
Take Hood's Sarsaparilla, which by purifying the blood removes the cause of the disease and gives permanent relief. This alternative and tonic medicine has proved entirely satisfactory to thousands of families in three generations. If there is biliousness or constipation, take Hood's Pills—they are a thorough cathartic, a gentle laxative.
