News Notes About Prominent Baptists

There is rejoicing in the parsonage at Boiestown. A new daughter arrived on last Thursday. We tender congratulations to Pastor and Mrs. Allaby.

Mrs. MacGregor, widow of Rev. P. S. MacGregor, is now making her home in Boston.

Rev. Frank C. Rideout, formerly pastor of the Second Baptist church of Bridgeport, Conn., has been for some time a chaplain in the American army.

He has received the rank of captain, and is now in France with the Eleventh Field Artillery. Mr. Rideout is a New Brunswicker, and a graduate of Acadia.

On Sept. 23 members of the churches on the North River, P. E. I., field gathered at the parsonage to bid farewell to their pastor, Rev. Arthur Hurn, and his estimable wife. Before the evening closed the pastor was given a generous purse of money, while David Scott of Cornwall read an address on behalf of all the churches on the field.

Rev. J. W. Brown, Ph. D., has resigned the pastorate of the Middle Sackville field, the resignation to take effect Nov. 1. Dr. Brown has accepted a call to the United Baptist church at Fort Fairfield, Me.

The death of Rev. John Clark will bring a sense of personal loss even to many who knew him only through his writings. Those who were privileged to enjoy his friendship and fellowship will remember with gratitude that his life was a life of Christian spirit which made his life so attractive and his influence so potent.

In closing their work on the Hazelbrook, P. E. I., field, Rev. P. N. and Mrs. Atkinson were almost overwhelmed by the expressions of regret at their leaving. The missionary societies at Hazelbrook and Alexandria, as well as the Red Cross Society, presented Mrs. Atkinson appreciative addresses, and in each case a generous purse. A purse was also presented by the Diocese church at the Cross Roads, which Mr. Atkinson has served as part of his field. The call to the Isaac's Harbor field was accepted only because Mr. Atkinson's strength had been overtaken by the work on the more extended field at Hazelbrook.

Dr. James A. Francis, whose addresses before the convention at Fredericton four years ago will never be forgotten by those who were fortunate enough to hear them, has been serving as chaplain with American troops overseas.

Rev. Arthur V. Dimock, who for some months has been camp pastor at Camp Devon under the auspices of the war commission of the northern Baptist convention, has accepted a call to the pastorate of the Baptist church at Exeter, N. H. Not long since he sustained rather severe injuries as the result of an automobile accident. Mr. Dimock is a Nova Scotian, graduating at Acadia with the class of 1901.

A CO-OPERATIVE SYSTEM A co-operative delivery which has proved a great saving in many American and some upper Canadian cities may be inaugurated in St. John. J. A. O'Donnell, of Cleveland, Ohio, and reported on several hundred such systems in the United States for the American government, is now in St. John, and will bring the suggestion before the Retail Merchants' Association.

Good Friend of the Coffee Drinker

Coffee often disagrees with the best of us

When you find it wise to stop coffee for a few days on account of disturbed digestion or too much nerves, switch to Postum and note the result.

Many people who love their coffee follow this plan with excellent results.

Postum comes in two forms: Postum Cereal which must be boiled, and Instant Postum, made in the cup in a moment. They are equally delicious and the cost per cup is about the same.

TRIBUTES TO LIEUT. MACHUM

Chaplain Speaks in Highest Terms of Young Officer Killed in Action

Mrs. Machum, wife of Lieut. Ronald S. Machum, who died of wounds received in the firing line on August 27, at the capture of Bois du Vert, has received a letter from the chaplain of Lieutenant Machum's regiment giving her further particulars of his death. He speaks in the highest terms of the young officer's bravery, and of the esteem in which he was held by everyone who knew him in France, especially the officers and men with whom he worked. Mrs. Machum has also received messages of sympathy from the king and queen, the governor-general, Premier Borden and many others.

Lieutenant Machum was a son of E. R. Machum, of St. John. His wife was formerly Miss Mildred Walker, daughter of Joseph Walker, of Fredericton. One child also survives.

One of Three Brothers Wounded. One of three brothers now fighting at the front has been wounded. A dispatch was received early this week by Angus Gould, Main street, Fairville, from the Director of Recruits, Montreal, conveying the sad information that his son, Private William Gould, Infantry, had been officially reported admitted to No. 1 Casualty Clearing Station, France, September 27, gunshot wounds in right thigh and abdomen. Private Gould is twenty-two years of age and went overseas from St. John last April, and was sent to the front with a New Brunswick battalion. He had only been in the line about a week when he was hit. Two other brothers are also serving in the Allied armies. One, who went overseas with the 118th battalion, and now in France with the 26th, and Arthur with the 118th battalion. This family is certainly doing its share in the present war.

AILMENTS OF WOMEN

There is no denying the fact that thousands of American women drag along day in and day out suffering with these ailments peculiar to their sex which make life a burden. If women who suffer from dragging-down pains, inflammation, ulcerated or catarrhal conditions would only give that greatest of all remedies, Lydia E. Pinkham's Vegetable Compound, a trial, they would readily find relief from such suffering, as the many letters of commendation constantly being published prove.

DEATH OF MRS. JOAN DICKIE WHILE IN ENGLAND

(Fredericton Gleaner.) Mrs. Sutherland, wife of Rev. J. S. Sutherland, pastor of St. Paul's Presbyterian church, Fredericton, has received news of the death of her sister, Mrs. Joan Dickie, which occurred at her home at Truro, N. S., last week. Mrs. Dickie had been in poor health for some time—virtually a victim of the war, as she had been both from the loss of a son in battle and from nervousness brought on by aerial bombardments. She was a native of England in which she was located.

She was the daughter of the late Hon. J. B. Dickie, a prominent businessman of Truro, N. S., a representative of Colchester in the Nova Scotia assembly, and speaker of the house. She was married to the late Mr. Dickie, who was superintendent of the London-derry rolling mills, and later they moved to southern Russia, where Mr. Dickie was superintendent of a big iron industry.

After the death of her husband, Mrs. Dickie, who was a native of England, just as the war broke out, Mrs. Dickie was able to escape from Russia and get to England with her family.

Eight children survive. Four sons and four daughters. Three of the sons have been officers in the British army, one was killed early in the war, a second was dangerously wounded, and a third son is serving in the eastern war zone.

Mrs. Dickie is also survived by three brothers, Martin Dickie, manager of the Royal Bank at Truro; Henry A. Dickie, barrister, of the same town; Samuel Dickie of Onslow, N. S., and four sisters, Mrs. J. S. Sutherland of Fredericton; Mrs. C. M. Dawson, wife of the C. G. R. ticket agent at Truro; Mrs. Fulton of Edmonton and Mrs. Frank Dickie of Indianapolis.

Of the surviving sisters, Mrs. Dawson has given all her five sons to the war; one has been killed, one invalided home from wounds, and a third is at present in an English hospital suffering from wounds.

Morning War Summary

New York, Oct. 8.—The Associated Press tonight issued the following: The complete withdrawal of the troops of the Teutonic allies from occupied territories is essential to the commencement of any peace discussions with Germany. This fact has been made known to Germany and Austria-Hungary by President Wilson in answer to the recent appeal of the German imperial chancellor for an armistice on land and the sea and in the air and the discussion of possible means for ending the war.

In addition President Wilson is desirous of knowing, and has directly asked the question, who the imperial chancellor was speaking for when he advanced his proposal—if it was for the constituted authorities of the empire, who have been conducting the war. The president also desires to know if Germany in seeking peace, accepts the terms already laid down by the president as the basis for the ending of hostilities.

SMASHING VICTORIES AT FRONT.

Meanwhile the Entente Allied forces everywhere are defeating the armies of the Teutonic allies. In France they are fast carrying forward manoeuvres which are resulting in the enemy's line giving way from the region of Cambrai to Verdun. Likewise in Verdun and Toul the cleaning up process continues unabated. Over a front of twenty miles between Cambrai and St. Quentin the British, American and French troops have started a mighty drive which in its initial stage has thrown the enemy back from highly prized tactical positions to a depth of from two to five miles. Numerous towns have been captured and seemingly all the great defensive positions of the enemy in this region have been obliterated. Large numbers of prisoners have been added to the already great throngs captured since the Allied offensive began. In addition terrible casualties were inflicted on the enemy by the heavy artillery fire at the beginning of the attack, which began early Tuesday morning and the machine gun and rifle fire of the attacking forces against the enemy who retreated stubbornly at various points.

Duguay-Curie. In St. Anthony's church, North Devon, on Monday, Rev. Father Murphy united in marriage Joseph G. Duguay, son of Mr. and Mrs. Abraham Duguay of Shediac, and Miss May Elizabeth Currie, daughter of Mr. and Mrs. Louis Currie of Belledune River.
