PYTHIANS MARK LODGE JUBILEE

Present Jewel to William A. King, Charter Member of Union Lodge.

In right royal good style the golden jubilee of Union Lodge, No. 2, Knights of Pythias was celebrated last night in their hall, Union street. The most in their hall, Union state. The most interesting feature of a cvening was the presentation to William A. King, the only surviving active charter member of the lodge, a fifty year veteran's jewel. An excellent programme had been prepared by the committee in charge, and it was thoroughly enjoyed by all. At the conclusion of the musical programme dancing and cards were the order of the evening.

The presence of the Grand Chancellor, Roy Mills of Moncton, and the Grand Vice Chancellor, Bayard Stilwell and the Grand Chaplain, Capt. J. A. Mowry, who occupied seats on the platform added much to the success of the evening.

While the members and their guests were gathering several selections were played by Black's Orchestra, who later furnished the music for the dancing. Gives Lodge History

The exercises opened with the singing of the National Anthem and this was followed by prayer by Rev. H. E. Thomas and the Lord's Prayer in unison. The next was a solo by Mrs. Thomas Guy, Past Grand Chancellor, Dr. F. C. Godsoe, gave a short historical sketch of the fifty years of the lodge. It was organized on March 24, 1874 and most of the charter members were also members of Union Hose Co. No. 2. The charter list had twenty-eight names and of that number only one was active today, William A. King, and so far as he knew only one other was a live.

A Sydney Mines despatch of Saturday says: "A new record was established at the Princess banking station here on Friday, when 2,836 tons were placed in the 'heap' from the output at the Scotia collieries. The largest banking record for one day, prior to Friday, was 2,795 tons. Up until Saturday the total tonnage in the Princess bank was 44,200 tons. F. L. POTTS THE PEOPLE'S **CANDIDATE FOR MAYOR**

To My Many Friends and Supporters in West St. John:

They told me in 1915 I could not make Rodney a permanent street. If I built it, it would disappear in less than a year. Almost ten years has elapsed and it is a credit to Carleton and a pleasure to me to know that I was instrumental in giving you in face of all opposition this beautiful memory of past achievements might I ask that you give me your loyal support in my coming election for the office of Mayor of our City, believing that I dare and will fight for everything in the interest of citizens,
