MORNING LOCALS

Mrs. George A. Fraser, who spent the last three weeks with her father, Judge Wedderburn, of Hampton Village, has returned to her home in Toronto. Miss Wedderburn, who has been away studying nursing, has passed her examinations successfully and was home for a brief vacation, leaving again on Wednesday last.

Mrs. Elizabeth White, daughter of Isaiah Holder, 154 Main street, secretary of the Massachusetts Anti-Cigarette League, died last night.

An alarm from box 43 gave the firemen a run to British street yesterday afternoon for a fire in a shed near the Protestant Orphan Asylum. The blaze was not serious.

The I. O. G. T. had a very successful picnic and district meeting at Baywater on Saturday. The Baywater ball team defeated a picked city nine 3 to 2. A vote of thanks was tendered to Harry Currie of Maple Leaf Cottage for his kindness to the visitors.

George Kierstead will be ordained in the Victoria street Baptist church this evening. Mr. Kierstead has spent the summer as pastor of the First Baptist church, Montreal. The service will be at 8 o'clock.

Mrs. R. L. Stevenson, president of the Massachusetts W. C. T. U. spoke in Centenary church yesterday afternoon on the subject of "The Temperance and Foreign Mission Movement." She said eastern countries had a magnificent civilization, but at the same time they were acquiring the worst habits of the western world. Breweries were being established in China and Anglo-American companies were introducing the cigarette habit throughout the east.

Cultivate the great art of leaving people alone, even those you think you have a right to direct in the minutest particular.

BLAMED THE GOVERNMENT FOR NOT SECURING RECIPROCITY

Even as recently as December 13 last the Opposition in parliament were demanding of the government new markets. On that day the spokesman was Mr. W. H. Sharpe, Conservative M. P. for Lisgar, Man., and his demand was for new markets for live stock. On April 15, 1910, Mr. J. E. Armstrong, Conservative M. P. for Lambton, Ont., had this to say:

"What has the minister done in regard to opening up markets? The great boast and cry of the men leading the Liberal party previous to 1896 was: 'Place us in power, and we will open up the markets of the world to the Canadian farmer; we will obtain for you the great market of 80,000,000 people to the south.' Let them point to one market that they have opened up. They cannot do it, and they know it."

Many more instances might be quoted. The policy of refusing to enter the United States market was framed after the Conservatives learned that the Liberal Government had secured the entry to those markets. But that was because, to their mind, "the wrong hen hatched out the chicks."

MAGNIFICENT VICTORY FOR LIBERALS IN PROVINCE OF NEW BRUNSWICK SURE

Opposition Cannot Count With Any Certainty on a Single Seat—This Week's Meetings in St. John—Sir Wilfrid at Moncton—Queens-Sunbury Will Elect Col. McLean

Hon. Wm. Pugsley, Minister of Public Works, left last evening for Ottawa to attend to some departmental matters, and will return to St. John in time for the Liberal rally in the Queen's rink when he and Mr. Lowell and Dr. Silas Alward will be the speakers. He and Colonel McLean and Dr. Alward came home from Gagetown by motor boat yesterday afternoon.

When asked, previous to his leaving for Ottawa, to express his views on the outlook of the political contest in New Brunswick, Hon. Mr. Pugsley said:

"Mr. Lowell and I, with other speakers, addressed meetings in the North End and on the West Side on Thursday night last, and with others spoke at meetings at Great Salmon River and St. Martins on Friday. On Saturday with Colonel McLean and Dr. Silas Alward, I addressed meetings at Hampstead and Gagetown, six addresses in the last four days."

"Everywhere they were great enthusiasm than I have ever seen in the large number of years in which I have been in public life. The meetings were very largely attended and I am delighted at the strong feeling in favor of the Liberal candidates and reciprocity."

"I am thoroughly convinced that Mr. Lowell is going to have the largest majority in the parishes of St. John county that any public man has received since confederation, and also that Colonel McLean will be elected by a handsome majority in Queens-Sunbury. With reference to the Liberal position, I am confident that the Liberal party will carry both seats."

"I am in receipt of reports from all the other constituencies and they are of most gratifying nature, and I sincerely believe that the opposition cannot count with any certainty on a single seat in New Brunswick."

The big feature of the campaign this week will be the grand Liberal rally in Queens Rink on Wednesday evening. Addresses will be delivered by Mr. Lowell, Pugsley, James Lowell and Dr. Silas Alward. Another speaker whose remarks will be of interest is I. W. Carpentier, of Rockville, who said he had been for a long time a Conservative, but believed in being in voting for the best interests of the country. J. S. King presided, and the meeting was a distinct success, promising well for the election of Dr. McLean.

The meetings which have been held in the interests of Dr. McLean at Hope, Well Cape and surrounding centres have been highly encouraging. The popular Lib. Pugsley, James Lowell and Dr. Silas Alward, who have been warmly greeted everywhere.

Richibucto, N. B., Sept. 2.—One of the largest political meetings ever held in St. Charles was addressed last evening by Mr. Turcotte, ex-M. P. of Quebec, in the interests of the Liberal candidate, Mr. LeRoyer. Mr. Turcotte, who is an eloquent speaker, occupied over two hours in discussing reciprocity.

St. Charles, formerly a Conservative parish, is expected this time to roll up a large majority for the Liberal candidate, Mr. LeRoyer. The campaign in the interests of Dr. McLean, the reciprocity candidate, has produced excellent results to date and will be continued with unabated vigor next week, when speakers from outside places will address meetings in the constituency.

Hon. Wm. Pugsley will speak at several meetings in York during the week.

RUB THAT SORE SPOT

With Father Morrissey's Liniment and Promptly Stop the Ache.

Every household has its share of aches, pains, bruises, chilblains, burns, stiff joints, chest colds, sore throats, muscular soreness and similar troubles. It is surely wise to equip with even the least of these, when there is a sure and speedy remedy.

Father Morrissey, the famous priest-physician, was especially successful in devising a prescription for the prompt relief of these ailments. Many thousands of families have found relief in Father Morrissey's Liniment, and it is sold in every household, ready to meet any emergency.

Unlike most liniments, it has both a pleasant feeling and a clean, wholesome smell. It is a liquid rubbing liniment, as it makes no noise when rubbed, and does not clog the pores of the skin.

In rheumatism and backache, it is a helpful adjunct to Father Morrissey's "No. 2," and in cases of sore throat and cold on the chest, it supplements his well-known "No. 10."

The liniment should be always on hand against a case of need. 25c. a bottle, of your druggist, or from Father Morrissey, Medicine Co., Ltd., Montreal, Que.

Wrestling Gotch vs. "Hack" Today. Chicago, Sept. 4.—Frank Gotch, the Iowa farmer and George Hackenschmidt, the Russian student will determine who is the mightiest wrestler in the world this afternoon at 6 o'clock in the American League ball park here.

Gotch won their former match in Chicago on April 3, 1908, but he did not pin the shoulders of the "Russian Lion" to the mat. For that reason he has never been given universal credit for his victory. But today both contestants insist that the match will not end until one of the men has obtained two falls. It may be necessary to finish the contest under the glare of arc lights, but regardless of this, the wrestlers are determined to settle their dispute beyond all possible doubt before they leave the park.

There is great interest in the match. From all parts of the country followers of the sport are coming in and all of the downtown hotels are crowded. The total sales up to 6 o'clock last night amounted to approximately \$70,000. It is expected that at least 25,000 persons will attend the contest. Both men say they are entirely ready for the struggle.

The Turf Races in Halifax. On Saturday in Halifax three good races were held. Ariel Wood won the 2.25 trot and pace in 2:17.34. Brian Queen won the 2.20 trot stakes in 2:16.34, and Onwego Boy took the 2.15 trot and pace in 2:15.34.

The Rifle High scores were made on Saturday on the city Rifle Range—the leaders were James Sullivan, 85; J. H. McRobbie, 84; and J. P. Archibald, 80. In the third Rifle Club spoon match, Serg. Day, Pte. Jones, and Pte. Elliott were the winners.

AMUSEMENTS IN ST. JOHN; WHAT THE PLAYHOUSES OFFER

THE FRENCH MAID. Florence Leslie, in The French Maid, will appear at the Opera House today (Saturday), matinee and evening, and on Tuesday evening.

NEXT WEDNESDAY On Wednesday evening next Miss Constance Crawford and her associate players will inaugurate at the Opera House a season of classic drama, presenting the dramatic works of Oscar Wilde, Edmund Rosland, William Shakespeare and possibly Gabriel D'Annunzio. On Wednesday evening Miss Crawford's company will present Shakespeare's "Taming of the Shrew." This is to be repeated on Friday, Saturday and Sunday nights Edmund Rosland's fantastic comedy "The Roman's Lesson," and at the Saturday matinee Shakespeare's "Romeo and Juliet." Should these offerings prove acceptable to St. John theatre goers Miss Crawford is to give later in the season a production of D'Annunzio's "Francesca da Rimini."

THE STAR. Four very interesting subjects in photo plays and pictures are promised tonight and Tuesday night at the Star Theatre, north end. Number one in the program is a thrilling Indian drama, "The Indian Maiden's Lesson," by the Essanay Company, starring two in the line of comedy entitled "The Belated Bridegroom," one of the funniest pictures shown at the Star for a long time. The bridegroom's methods of getting to the wedding will certainly keep the house in roars of laughter. "The Star" is an elaborate French military drama by the Pathe Company, showing a good battle scene. "Passez le fil" is a film by the Essanay Company, showing sports in the Bull ring at Valparaiso. Harry B. LeRoy will sing an illustrated novelty song entitled "Phoebe Jane." This is Mr. LeRoy's farewell week.

THE GEM. A fine programme is announced for the Gem Theatre today. Some feature films are promised, in addition to orchestra music, and a life song by Jack Morrissey. "Summer Time is the Time for Me." The Essanay Co. furnish a splendid western drama, "The Outlaw Samaritan," an exciting story of early days on the prairie when the law was a stranger. The pretty romance of an equally pretty country school teacher and her adventure with a crazy man who threatens her life but is prevented by her sweetheart. Two ripping comedies are enacted by the Lubin Co. "Wife's New Hat," and "The New Operator."

Medicine Taken Internally Cannot Cure Eczema. It is Caused by Germs. Eczema cannot be overcome by ordinary treatment and the old-fashioned way of doing the system with drugs. Eczema is caused by a parasitic germ that bores into the skin. It is generally a contagious disease. Until the parasite is completely destroyed and removed, eczema cannot be cured. Fully one-third of skin diseases are in the form of eczema.

I so thoroughly believe that Rexall Eczema Ointment will overcome eczema and allied skin ailments, that I unhesitatingly promise to promptly refund the money paid me for it upon return of the ointment unsatisfactory to the user.

Because of its germ-killing, cleansing, anesthetic, germicidal, soothing and healing influence, Rexall Eczema Ointment has a very pronounced value in the treatment of skin diseases, especially where the form of ailments is of the chronic, aggravating sort. I highly recommend it for the dry scaly form or the weeping type, where there is a constant flow of ill-smelling excretion.

Rexall Eczema Ointment is very prompt in relieving pimples, blotches, skin discolorations, unsightly acne, nettle rash, itchy, itchy, insect bites, and for healing sores and wounds. It is a pleasant smelling, grayish-white ointment, and is very cleanly for use. Two sizes, 50c. and \$1.00. Sold only at my store—The Rexall Store, 100 King Street.

A LINDEN SHOWER. Miss Augusta Puddington, assistant lady superintendent in the General Public Hospital, was on Friday evening tendered a farewell by her associates of the nursing staff. While her departure caused regret, the occasion was also one of congratulation to Miss Puddington, who, in the near future, will be a principal in a happy event. Her associates tendered her a linen shower. Miss Puddington left on Saturday for her home in Bellefleur.

Canada's total trade with all countries last year was valued at \$768,084,389. More than half of this, or \$404,137,940 was in trade with the United States. Does that fact lessen our loyalty to the Empire?
