THE OLD KIRK YARD.

But, sigh'd to possess it, in vain'; For none but the truest of lovers

lon't take but theo to ma' ca curriness you will the content of the children. If she is not well to coth is stight, or her husband is, or they are both so, or she has no sort of taste. If you get a new bount in the spring you will be taiked about, and if you wear the old one through another season, that is the subject of comment. Have your silk frock dyed, and make it look as nice as a new pin, and the conmittee, after inspection, decide, that it is only mittee, after inspection, decide, that it is only mittee, after inspection, decide, that it is only mittee, after inspection, decide, that it is only inspection, and the published an authentic relation of the circumstances which had called him to the cumstances which had called him to the circumstances which had called him to the circumstances which had called him to the cumstances which had called him the cumstances or don't do enough, or you don't pay her enough, or wait upon her enough, and, in

TARRESTORY OF THE PARTY NAME O

ment. Have your silk frock dyed, and make it look as nice as a new pin, and the committee, after inspection, decide, that it is orly an old thing faxed over. Get you a new silk; well, you might have made the old one an awer, it would have been better economy. Do your own work and you will be ta'ked about; keep a girl, and that only increases the amount of gab—either she works too hard, or don't do enough, or you don't pay her enough, or wait upon her eneugh. and, in the place of the common—inquisitiveness.

Habits are soon assenmed, but when we tand his whole hir military. In looking more alive.

Though we travel the world over to find alive.

Though we travel the world over to find alive.

Though we travel the world over to find alive.

Though we travel the world over to find alive.

Though we travel the world over to find alive.

Though we travel the world over to find alive.

The politeness may be cherished in the thore as well as in the palace, and the most fattered drapery cannot conceal its winning about; keep a girl, and that only increases the amount of gab—either she works too hard, or don't do enough, or you don't pay her enough, or wait upon her enough. Bridget has a sociated.

Though we travel the world over to find alive.

Though we travel the world over to find alive.

Though we travel the world over to find alive.

Though we travel the world over to find alive.

Though the alter smile. His eyes alive to strip them off, 'tis being flayed closely at him, his countenance is said too lave been deceptive, namely is and his whole hir military. In looking more alone is said too.

Though the alter smile, this countenance is said too lave been deceptive, namely his and his whole his and
