FREE BOOK TO WOMA SHOULD ENCOURAGE **ON VANCOUVER ISLAND**

Woman is more liable to illness than man. This is because her more sensitive. In man the muscular system is predominant. In woman the nervous sympathetic. Woman suffers in heart and brain and body a thousand things the average man can't understand. He knows nothing of the throbbing head, the aching back, the nerves all ajar by overstrain, the "want to be left alone" feeling, the weakness and prostration from the overwork, worry cares of her self-sacrificing life. Often indeed her wonderful 've and co overwork, worry and cares of her self-sacrificing life. make her hide from him, until it is too late, the many sleepless, restless nights ollowed by tired waking mornings, the wearing pain, the dragging weakness of female complaints, all of which are increased at each period, the sery and weakness that darken her life and bring her to the verge of des pair.

Yet woman need not despair. God never meant that His best gift to man should go through life in sorrow and suffering. What woman needs is to under-stand herself. Dr. Sproule has made this possible. He krows,-(for he has proved it by curing thousands of cases where others have failed)-that she suffer physically. His latest book, written entirely for woman, shows this plain ly. In it you will read his wonderful "Tribute to Woman." When you read i our heart will throb with gladness as you feel that here, at last, is a man with a mind great enough and a heart tender enough to understand won me understanding and sympathy have made bim resolve to send a copy of this

ABSOLUTELY FREE

To any woman who writes for it. She who reads it will learn all about the ses and diseases of her sex; all about her complicated nervous and physical conditions; all the necessities and requirements of her wonderful organ-Best of all she will learn what is necessary to maintain health, and how that health can be regained when lost.

FULLY ILLUSTRATED

Dr. Sproule has given particular attention to the illustrations in this book ind has spared neither trouble nor expense to get the very best. All the female organs, both in health and disease, are so clearly drawn that anyone looking at the pictures cannot fail to understand. Dr. Sproule's long experience as a sur-geon and a Specialist has made him an authority, and the illustrations have een done from drawings which he himself has made especially for this book They are so clear and perfect that they will prove a revelation to the woman who sees them.

But remember, though Dr. Sproule has been to great expense in getting up the book, it will cost YOU nothing. Dr. Spronle wants you to have it He want every woman to have the perfect, glowing health without which she cannot fitly rule her kingdom. He feels it his greatest privilege to help in any way God's last and best creation—WOMAN. Write for this book at once. It will save you years of suffering. Address SPECIALIST SPROULE, 7 to 13 Doane St. BOSTON.

> the Premier regarding his support. He demands of the Premier that in return for the estimates being passed that a redistribution bill favorable to Mr. Mr. in shall be immediately introduced. Mr. Martin outlines this bill, which is on a basis of a member for 6,000 of the population in cities, and 650 in rural onstituencies. These overtures were made last evening. Failing this Premier must turn to Mr. McBride. this the
