SPOKE AGAINST SUNDAY SALOONS

PASTORS CONDEMNED THE PROPOSAL MADE

Law and Oppose Liquor Selling on the Sabbath.

Sunday evening Rev. Elliott S. Rowe devoted his attention to the proposal to Brookes and Messrs. J. Disbury and Branford were travelling with horses and wagon and all three went down church hours. Rev. Mr. Rowe said of allowing of the sale of liquor. knowledge of this proposal had come to saloons were now selling liq his attention late on Saturday night. He day without the license of law. Wha had immediately wired to a number of was needed was the better enfor his brother clergymen throughout the of the statutes, which declared it ille province and decided to take advantage to traffic in liquor on the Sabbath day of the only opportunity he would have of giving the subject his attention from

Taking for his text, "Woe to him that buildeth a town with blood and stablish by the Licensed Vituallers to legalize t eth a city by iniquity," the preacher pointed out some of the evils of the delivering his sermon he brought the sub-14 holes up. Fayette Brown, of traffic in strong drink. It was a busiMontreal, was elected president of the ness which was not recognized as on the ness which was not recognized as on the same standing as most of others. The made to pledge the candidates appealing state had recognized that the traffic in liquor was not in the interests of the state—that it was attended with risk.
Trade in it had been tolerated as a privilege not as a right. Prohibition did

He approved of every voter exercising exist in connection with it to a limited the franchise, but it had been difficu extent, and only those who have a permit from the government to do so were

allowed to traffic in liquor.

The tendency of legislation had been from time to time to curtail the privileges in this traffic. As men advanced n self control new legislation had been introduced

was a proposal to go back on this priniple. An effort was being made to have legislation introduced to allow of the sale of liquor on Sundays except during could cast his ballot. church hours, and to pledge aspirants to the legislature upon this proposal. It was urged that it would make no lifference as the law was being broken anyway. This was a false stand to repeal laws because they were broken.

They might as well say repeal the laws against debtors. The right course was to enforce the law. The authorities knew the law was being broken, and yet they did not attempt to put a stop Speaking sarcastically, he said he wished to contradict the suspicion that might be aroused that the clergymen feared losing their congregations by this proposal. Going into the application of the

iquor traffic to the text the preacher con-For free mining gold ore the exhibit of Ymir came first with Nelson second. In the gold and copper dry or elect. For the physical and business life and that the tendency in some unexplainable way was to lower the moral life. It was way was to love the control of the c every shipwreck of life liquor had some-

thing to do with it. He contended that this proposal was an insult to the province. It was unjust to ask for something new which would not be asked in any other part of the Dominion of Canada. Was it just to have it go forth that British Columbia cared nothing for moral sanction in these matters or any sentiment of that kind, but cared any sentiment of that kind, who a few days ago was awarded the but cared only for the monetary cry? | contract for the ouilding of the Carnegie They might laugh at this as sentimental library, has secured the undertaking.
