

Royal Household Flour Yields Most Nutriment.

Only when flour is absolutely pure do you get highest nutriment and least waste.

Purity in flour is secured only by the highest development of the science of milling, and the makers of Royal Household Flour have developed milling to the highest point of perfection in this country.

The Royal Household Electrical Purifying and Sterilizing Process is the most thorough in the world—it is controlled exclusively in Canada by the Royal Household Mills—and that is why Royal Household quality cannot be duplicated in Canada.

That's why Royal Household Flour is the richest in nutriment, greatest in purity—That's why it is the flour every family should use—the kind that gives the sweetest, best flavored bread and most toothsome pastry.

If you want that kind of flour see that you get Royal Household, then send for the recipes so that you may use it in the Royal Household way.

Young Heroes of Carleton defeated the Majestics last evening, 5-4. Batteries: Morrissey, Dinan and Barker; Ferguson, Cox and McLeod. The Young Heroes want something faster to play with.

West End League.
In the West End League last evening, before a large crowd, the St. Rose's defeated the Victorias. The score was:
St. Rose's 3 0 6 0-3
Victorias 2 1 1 1-5
Batteries—St. Rose's, Toole and Toole; Victorias, Duran and McDiarmid. Captain of the Victorias had a home run. The correct score in Thursday's game was: St. Rose's, 5; Victorias, 4.
Portlands Disband.

The Portland baseball team have disbanded, having become discouraged with the financial returns from Dominion day games. The men for the most part are in the game for money, and from present indications this is not forthcoming. Hence they have decided to call off the game until they see better prospects.

That there is no baseball match as a feature of this afternoon's attractions is due entirely to Manager Dunham of the St. Johns. He is working hard to keep the good old game going here, and already the team under his management has shown an improvement in form.

NO GAME TODAY.
A game with the All-Moncton team was on the cards for this afternoon, but as the St. Johns were unable to put their best team in the field and the Moncton team is no mean aggregation, Mr. Dunham had the game called off until later in the season.
Next Friday and Saturday the Passamaquoddy, a team of full blooded Indians, will be here for two games with the St. Johns. Several of the members of the team are college men and have learned the game thoroughly. Sooty of the old Eastport Quoddy is with the team, and will doubtless be warmly welcomed here.
The Indians will arrive in St. John by boat on Thursday.

It is the intention of the St. Johns' management to keep the game going if possible. Outside teams will be brought here each week for the remainder of the season, and if the fans furnish the encouragement the long expected baseball "boom" will follow.

COTTON MEN TODAY.
The much-talked-of game of ball between the Cornwallis and York mills will be played at 2:30 this (Saturday) afternoon, on the Barrack square.
Cornwallis: G. Gillespie, c.; G. Wilson, p.; Capt. F. Ward, 1st b.; M. Donohue, 2nd b.; P. Murphy, 3rd b.; G. Norris, a stop; Ed. Lavine, 1 field; R. Cunningham, c. field; T. McMann, 1 field; G. Nix, spare.
York team—G. Parris, p. and cap.; W. Cooper, c.; J. Thompson, 1st b.; Taylor, 2nd b.; W. Tennant, 3rd b.; P. McMan, a s.; R. Patrick, 1 field; E. Stephenson, c. field; W. Earle, 1 field; R. Tennant, spare.

AMATEUR LEAGUE.
On the Victoria grounds last evening the Y. M. C. A.'s and Athletics played a game of seven innings; score, 5 to 5. The batteries were: Athletics, Roots and Chase; Y. M. C. A.'s, Palmer and Haines. Chase made the first home run of the season, hitting over the right field fence. This game does not alter the league standing. This is the third time game played by the Y. M. C. A.'s. The next game, on Monday evening, will be between the Jubilees and Y. M. C. A.'s.
Mercantile League.

The executive of the Mercantile league held a meeting on Thursday night, when the following prizes were announced:
City Cornet Band, ten silk umbrellas to the winning team.
Eben Perkins, ten pearl handkerchiefs to the team taking second place.
W. H. Thorne, gun and 100 loaded shells to the player making most hits.
A. & I. Isaacs, gold leaf clock to player making most runs.
Emerson & Fisher donate a prize to player having most stolen bases to his credit.

The first games of the season will be played today at Watters' Landing between teams from the employees of W. H. Thorne & Co. v. Emerson &

Fisher, and the Buster Browns of A. & I. Isaacs' establishment v. Maritime Mill Works' employees.
Batteries today will be: For W. H. Thorne's, McEachern and Coll; Emerson & Fisher's, Tait and Kelly. The Maritime players are not scheduled, while the Buster Browns present the following array: McEachern, c.; Stevens, p.; Ramsay, 1st base; Stanton, 2nd base; Currie, 3rd base; Ritchie, a.s.; Davis, r.f.; Connell, c.f.; Donovan, 1.f.
This league intends every Saturday—weather permitting—to play a double-header game throughout the half holiday season.

Church League.
St. Luke's last night defeated the Success team on the Shamrock grounds in a score of 7 to 3. Six innings of good, fast ball were played. The batteries were: St. Luke's, Ferris and Day; Success, Scott and McKinnon.

THE RING.
A LETTER FROM MIKE SULLIVAN
CAMBRIDGE, Mass., July 5.—Just a few lines to let you know that I have started in doing light training. There are liable to be some letters sent to you about me not going or perhaps some other things to try and hurt the show. There are a couple of sore heads in Boston who are knocking me right along, because Jack Twin or myself refuse to let them do our business. When I say I will be there my word is as good as a bond. I had an offer to go to California, but I turned it down because I agreed to go to St. John. Now I am out to win, and if I outpoint McLeod, I want the decision and not be called a draw like Littlejohn's bout. I have a brother 15 years old; he weighs 130 pounds. If you could place him in preliminary bout you would do me a favor. Let me know what you will give him, with expenses. I will leave around the 14th or 15th to go down. I will be on deck the 19th to give our friends a good run for their money.

Yours truly,
MIKE SULLIVAN.

THE RING.
MOOSEBATH RACES.
The entries for the races on Moosebath on July 19th and 20th will close at 11 p. m. on Monday, July 18th, with John Ross, secretary of the Gentlemen's Driving Club.

A GOOD SHOW.
The Sunny South is one of the best minstrel troupes of its kind, and it has the advantage of being the real article, instead of a bunch of amateurs. The jokes, songs and choruses were all very well given, and as a result laughter reigned supreme. Anyone who likes a real good old-fashioned rough and tumble, black show can spend a very pleasant three hours, practically without a dull moment.

Louise Turner and James W. Turner are without doubt a clever pair of darkies; in fact the whole company give evidence of being a very intelligent troupe of performers. The entertainment will be repeated again this afternoon and evening.

GAYNOR AND GREENE MIGHT RUN AWAY

And So Bail Has Been Refused—The Toronto Pressers' Strike.

MONTREAL, July 7.—Justice Outmet heard application for bail by counsel Messrs. Gaynor and Greene today, and without reserving decision, rejected it. Judge Outmet observed that he had no doubt as to his power to grant bail, but he had to be discreet in the exercise of that power. The question he had to consider was whether Gaynor and Greene, if he let them out on bail, will be at hand when they were required for extradition, and whether it would be fair to the government of the United States to put them to unnecessary expense when they should be assisted as much as possible in accordance with the Dominion's treaty obligation.

Stewart of Quebec on behalf of the United States government urged that the defendants jump their bail in the United States, when under recognition to appear before the district court in Georgia, and sought refuge in Canada. What was more, they refused to stand the bondmen with \$20,000 to pay the amount forfeited by the bonds. A similar escape from Canada, counsel thought, might follow their release on bail, especially as proceedings were approaching a termination.

Taschereau contended that his clients were suffering from their long and close confinement and they were being so strictly watched that ever if they were released it would be a very difficult matter for them to make good their escape.

Judge Outmet thought that the prisoners were in safe keeping and he was not to be taken in having to look for them when they were wanted. For that reason he refused to grant bail, and rejected the application of P. M. Wickham, Canadian manager of the Alliance Assurance Company, today terminated his connection with that company. Senator J. R. Thibault, chairman of the local board, has also severed his connection with the company. T. D. Bellfield was appointed to succeed Wickham. Mr. Bellfield was at one time American agent of the Imperial Assurance Co.

TORONTO, July 7.—The strike of the pressers in this city has developed as threatened, but not to the same extent as expected. Out of the 170 pressers in the city only 70 refused to work this morning. The smaller shops are the ones affected, and the employers say they will fill the vacant places. The men demand 20 cents an hour and are getting 25.

MONTREAL, July 7.—Charles N. McKee of Montreal has been appointed professor of mechanical engineering in the University of Virginia at Charlottesville.

J. R. Hurdnburg has been chosen to supervise construction of the new Windsor Hotel. Hurdnburg built the Waldorf Astoria and Manhattan. The work of pulling down stores and preparing the site for the new structure will be commenced in a few weeks.

HAD HOT TIME AT EDUCATIONAL MEETING.

ASBURY PARK, N. J., July 6.—President Roosevelt's flying visit here tomorrow, when he will deliver the address at the annual convention of the National Educational Association.

There was a light air at the meeting of the National Council over the adoption of the directors' report relative to re-incorporation. The original incorporation as a national body was for a period of twenty years, and the association by limitation ceases to exist unless renewed. The directors expected special laws to be passed by congress, and reported in favor of taking advantage of them and forming a new organization to succeed and continue the present one.

When the report came up for adoption, Miss Margaret Haley of Chicago objected to the approval of the plan. She claimed that it was not fair to some of the members. The report was charged with a plan to turn over to a corporation not yet formed the rights and property of the association. Miss Haley was proceeding to read a long paper, extending to his members the freedom of the city. High Chief Panger Lingley responded. City Clerk McCredie supplemented the mayor's welcome by a brief address.

COOL CUSTOMERS.
Get \$15,000 Worth of Diamonds from a Montreal Store.

MONTREAL, July 7.—One day early in the week three men entered the store of Johnston Bros., St. Catherine street, and asked to see some souvenir spoons and other nick-nacks. The party priced a lot of little things, passing from counter to counter until they had time to get their bearings. Then they left without making a purchase.

Tuesday last, when business was slack and only Johnston and a lady clerk was in the store, the same crowd entered again. With designed diplomacy one of them engaged Johnston in conversation, another took up the young lady's attention, while the third wandered aimlessly up and down looking at things. Not altogether aimlessly though, for as he passed a nook in which reposed some valuable diamonds he generously helped himself to glittering baubles to the tune, it is said, of fifteen thousand dollars. Then he sauntered back to his friends and the three went out. City detectives are working on the case, but so far it is understood that nothing has been learned of the jewels.
