The dance at Elmwood on Tuesday evening was among the most prominently brilliant events of the week. The invitations had been issued some ten days previously, so that its advent had been eagerly anticipated. Quite a hundred and fifty guests were received by Mrs. E. J. Smith and Mrs. McDonald.

The dresses were very fresh and pretty—pink, blue and white being the predominating colors—and where all looked so well we consider it too difficult a task to singulate; we must not forget the two sweet debutantes, Miss Pearson and Miss Lily Partridge.

"The dance" came off with eclat on Tuesday evening before a large and fashionable audience. In our idea this bright little concert, to which we listened with genuine pleasure, made one of the most decided "hits" which has ever been scored by amateurs in our city.

The rink party given by Lord and Lady Seymour on Wednesday evening was the most fashionable event of the week. Lord Seymour and the Misses Seymour are enthusiastic patrons of the rink. Like so many Europeans who spend a first winter in Canada they are keenly alive to the pleasures of frost and snow—they have for them all the splendors of newness.

The Red Cape dance was held on Friday night at the Halifax hotel, and though among the social functions of the week was by no means the least on the list—at least such is the verdict of all the pretty girls who were there. Everything was rendered in the very best style—music, decorations, brilliant lights, and an excellent supper—to say nothing of generous and attentive hosts who looked so well after their guests, that there was scarcely a wall flower.

On Thursday a parliamentary dinner was given at Government house—these dinners are usually given once, and occasionally twice, weekly by the Governor during the period that our Local Parliament remains in session.

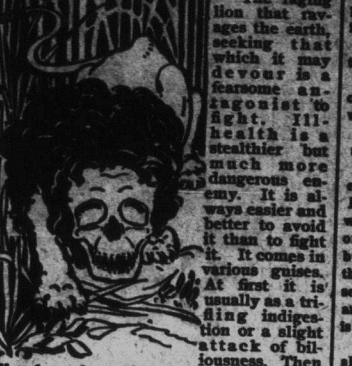

The "Tea" given by Mrs. Cahan on Thursday afternoon at her residence, 15 Inglis street, was much enjoyed by a very large number of guests—several of Mrs. Cahan's young lady friends assisted her in pouring out tea and doing the honors of the afternoon gathering.

PARREBORO.

[Prognosis for sale at Parreboro Bookstore.] Feb. 10.—All the gossips have been crowded into the past few weeks as even people who do not observe the season of Lent refrain to a great extent from giving entertainments in which so many of their friends cannot conscientiously participate.

Mrs. E. B. Reid and her sister Miss Holmes gave a progressive croquet party, of eight tables—on Thursday evening. The prize winners were Miss Ellis Hasfield and E. Hasfield, Miss Upham, and Dr. M. D. McKenna. Miss Maggie Gillespie and Mr. E. McKenna. After the games, dainty refreshments were served followed by a dance ending an enjoyable evening.

In spite of the severe storm there was a large attendance at the dance last evening at Mrs. D. Gill.

A Guaranteed Asthma Cure.

Clark's Kolo Compound Cures.

Some years ago this world would have been considered an impossibility, but Dr. Clark has achieved the problem since completing his experiments with the wonderful Kolo plant in England. In December, 1893, he found that by using the extracts from the Kolo with other extracts from the Kolo plant which grows in California, that the compound would cure the severest cases of asthma. Upon experimenting in one of the leading London hospitals he found that 95 per cent of the cases were cured in from 20 to 30 days' treatment. Since the introduction of this remedy into Canada in 1895 there have been over 100 cases cured in Canada alone. Mr. R. L. Linn, C. P. E. engineer, Western Division, writes: "I have been a great sufferer from asthma in its worst form for over twelve years, and never succeeded in getting anything to help me permanently until the C. P. E. doctor prescribed Clark's Kolo Compound for me in December, 1905, when two bottles entirely cured me; at least, I have not since had any return of the asthma. I am personally acquainted with at least six persons who have been cured from asthma by Clark's Kolo Compound, and feel it my duty to recommend it to all who may be troubled with this disease."

Three bottles are absolutely guaranteed to cure. A free sample bottle will be sent to any person troubled with asthma.

Address The Griffiths & Macpherson Co., sole Canadian Agents, 121 Church street, Toronto, Ontario. Sold by all druggists.

Others may relieve, but Clark's Kolo Compound for asthma permanently cures.

Freedom.

I care not who were vicious back of me,
 No shadow of their sins on me is shed.
 My will is greater than heredity;
 I am no worm to feed upon the dead.

My face, my form, my gestures and my voice
 May be reflections from a race that was;
 But this I know, and knowing it, rejoice:
 I am myself, a part of the Great Cause.

I am a spirit! Spirit would suffice,
 If rightly used, to set a chained world free.
 Am I not stronger than a mortal vice?
 That crawls the length of some ancestral tree?
