

MR. AND MRS. WM. SPEEDY, OF HARVEY, CELEBRATE GOLDEN JUBILEE

Friends gather to congratulate them on occasion of Anniversary of 50 years of married life—Receive purse of gold.

Mr. and Mrs. William Speedy, of Harvey, N.B., celebrated their golden wedding on July 22. William Speedy and Mary Ann Moffatt were married on July 22, 1864, at Harvey Station, by the late Rev. Samuel Johnson. Soon afterwards they moved to Hanwell Settlement, where they took a new farm, remaining there for several years. They afterwards sold the farm and moved back to Harvey, purchasing the George Lister property, and they have lived there ever since. They have made many improvements to the property and are now in comfortable circumstances.

Mr. and Mrs. Speedy had a large family—seven sons and five daughters, ten of whom are still living. All were at the celebration except one son and one daughter. Mr. and Mrs. Speedy are in good health and fresh looking considering their age. Mr. Speedy is 73 years of age and his wife 68 years. More than 100 were present at the celebration, including four brothers and three sisters of Mr. Speedy, and two sisters of Mr. Speedy, besides several grandchildren and great grandchildren. A large table was set on the lawn, under the shade trees, where the guests partook of an excellent tea. After tea was over the guests were called to the front of the residence, where Varden S. B. Hunter made some appropriate remarks. He congratulated Mr. and Mrs. Speedy on the attainment of their golden wedding. In presenting Mr. and Mrs. Speedy a purse of gold, containing \$50, he wished them, on behalf of the assembled guests, many more years of good health and happiness together.

Health and Beauty Hints

BY MRS. MAE MARTYN.

L. S.: Every woman wants to be slender nowadays, so I don't blame you, and since this reliable and inexpensive home-remedy, parrotis, was discovered, we may all make our efforts to suit the latest mode. Parrotis allows you to reduce flesh without danger or discomfort, and it leaves the skin firm and un wrinkled. Simply set four ounces of parrotis from your drugstore, dissolve in one one-half pint of water and strain. Take a tablespoonful three times a day. Avoid cereals. They are too starchy. This remedy is cheap and harmless and rapid in effect.

Ada S.: Your eyes are probably overworked and overworked. Rest the nerves, brighten the color and clear the lids of inflammation by this means. Dissolve one ounce of crystals in a pint of soft water. Drop two drops daily in each eye. This is a simple, economical tonic. If troubled with dark rings or flabbiness under your eyes try saturating a cloth in the solution and laying it over the eyes while lying down. It rests the nerves and starts circulation. Both are necessary to beauty of eye.

Helen O.: You are one of many who ask me about egg shampoos, and I gladly quote an eminent London beauty specialist. "The slimy egg cannot dissolve the scalp impurities, but adds to them so that the pores are completely closed. The slimy egg sticks, decomposes, causing the hair to assume a dead, dull color. I endorse every word. Avoid eggs (and soap, too) on your hair. Try the fine preparation made by stirring a teaspoonful carboxin in a cup of hot water. It will bring out new beauty possibilities in your hair, will cure and prevent dandruff, and promote growth and fluffiness. It removes excess oil.

Lillian G.: I don't believe your skin is seriously affected, and I am sure it can be easily helped. There is a preparation I am always glad to recommend because it is so reliable and cheap and easily made. And it is a splendid substitute for ordinary face powder which is at the bottom of many complexion troubles. Get four ounces of supramax, dissolve it in half a pint hot water, add two teaspoonfuls of glycerine, stir thoroughly and

let the mixture cool. There you have a real "beautifier" all your complexion needs. The shiny sallowness and sallowness is instantly relieved, and the effect is lasting.

Hattie L.: Your eyes are evidently not old enough to worry about wrinkles or losing your good looks, but you are wise in taking every precaution against the loss of your youthful beauty. Keep the skin firm and the complexion clear with a nightly massage, using this simple, inexpensive preparation. Mix together an ounce of almozoin, two teaspoonfuls glycerine and one-half pint cold water. Stir and let stand a few hours.

D. B. V.: I am not surprised that your hair is falling out when you confess that you have tried everything on the market. Scientists agree on the wonderful merits of quinine preparations, but they must always be made fresh. This you can do, with little cost, at home. Simply dissolve one ounce of quinine (set it at any drug store) in one-half pint alcohol, and mix with one-half pint water and you have a delightful home-made tonic, that will keep the scalp healthy and give you back your crowning glory. Use twice a week. I know nothing better to prevent baldness. Betty Dean's Beauty Balm, \$5.00. Adv.
