MARRIAGES.

Keane-Pratt
Yesterday morning, in the Church of the Assumption, West End, Rev. J. J. O'Donovan united in marriage Francis Leonard Keane and Mary Beatrice Pratt. The bride was crowned in a suit of grey poplin and wore a black velvet hat trimmed with white osprey. She carried a white prayer book, Miss Genevieve Pratt, her sister, who was attendant, wore a brown velvet suit with black picture hat trimmed with ermine fur and carried a bouquet of carnations. After the ceremony the wedding party drove to the home of the Misses Hanson, City Line, where a tempting breakfast was served. Mr. and Mrs. Keane will spend their honeymoon in American cities and on their return will reside at 18 Delhi street. They received many beautiful and useful presents.

Whalen-Cusack
Yesterday morning, in the Cathedral of the Immaculate Conception, William P. Whalen, of Sussex, and Miss Julia Elizabeth, second daughter of Mrs. Mary and the late Edward Cusack, of this city, were united in matrimony, the ceremony being performed by Rev. Wm. M. Duke, rector, who also celebrated nuptial mass. The bride wore a travelling suit of brown cloth, with brown and gold hat, and a corsage bouquet of yellow roses. She was attended by her sister, Miss Catherine A., who wore a suit of cream serge with a large black and pink hat. She carried a bouquet of pink sweet peas. Edward Cusack, the bride's brother, discharged the duties of best man. After leaving the church the bridal party repaired to the home of the bride's mother, 202 Waterloo street, where a dainty breakfast was served. The large number of beautiful presents bore ample testimony of the popularity of the happy couple, who left in the noon train for their new home in Sussex.

MUCH LOCAL MONEY SENT TO WAR LOAN OF WAR HEROES

\$2,000,000 of Issue Subscribed for in This City—More Than \$1,000,000 Paid Yesterday.

That there is money in the city of St. John was amply demonstrated yesterday when the second payment on the war loan became due and a large number of the investors instead of taking advantage of the opportunity to make a third payment settled in full for the issue which they had been allotted. J. M. Robinson said that he thought a conservative estimate of the amount of war loan subscribed for in St. John would be \$2,000,000; of this amount 20 per cent. had been paid on allotment or \$400,000; this would leave still to be paid \$1,600,000.

He said that as far as he could gather the larger number of those who had been allotted the bonds had paid in full. The banks elicited the same information, and the consensus of opinion seemed to be that about 75 per cent. paid in full.

If this estimate is correct there was paid into the banks in St. John yesterday over \$1,000,000; if only 50 per cent. paid in full the amount paid would be \$800,000.

PERSONAL.

Miss Bertha McCafferty of Winslow street, West End, left yesterday morning by steamer North Star for Boston to spend her vacation.

Mrs. J. Roy Mills and her little son, Master H. Vernon, left yesterday morning by boat for Boston. While away they will be guests of Mr. and Mrs. B. Urquhart, West Somerville, Mass.

Harold Cunningham of Vancouver is visiting his home town after an absence of several years. He is accompanied by his wife and child.

Mrs. Frances M. Proud of Station Island, New York, is visiting her daughter, Mrs. Geo. C. Amland, in her new home, 107 Mecklenburg St.

Miss Mary Johnston, who has been visiting her sister, Mrs. Thomas Wran, during the summer months, returned this week to meet her brother, Capt. G. M. Johnston.

Lieut. R. Fraser Armstrong, who left here with the 85th Battery, was a caller at the New Brunswick office in London recently.

R. S. WILSON ADDED TO ROLL OF WAR HEROES

Young Man Well Known in North End Killed in Action in France—Letter from Officers Bring News.

Mrs. Wilson, wife of Pte. Rudolph S. Wilson, who was killed in action on the 25th of September, has received two letters from members of the unit which he was in. Both letters which are herewith published speak of the gallant soldier in the highest terms, not only as a soldier of the king but as a man and comrade. Besides a wife and two small children Pte. Wilson leaves a mother and father, two brothers, Charles and Barrie, to mourn.

Pte. Wilson, who was employed in the real estate business with the Kenora Townsite Company, enlisted in the 55th Battalion but was later transferred to the 15th Battalion, and it was while engaged in this unit that he lost his life. The first letter, written by the officer commanding the machine gun section of the battalion, reads as follows:

Sept. 23rd, 1916.
Dear Mrs. Wilson,
Before this note reaches you, you will probably have been advised officially of Mr. Wilson's death. He was killed in action the night of the 25th, while in support. I was not with the crew but have been assured by those that were with him that his death was instantaneous.

The tour was not the regular "carry on" work, but an attack was launched the following noon. The action was an important one, most successful and probably in conjunction with the main attack, the finest yet achieved on this front. It must serve as some comfort to you in your loss to know that your husband filled an important post in this engagement.

Burying, to the time we left the area was impossible, I am sorry to say, but the field is ours and will be cleared by another regiment and you may be perfectly confident that your husband's body will be properly buried, and with a service if at all possible. All that I have written sounds hard and sordid but I have given only facts and you must please take this into consideration and excuse me on these grounds.

With my sincerest sympathy,
G. S. WINNIFRITH,
Machine Gun Officer,
4th Highlanders.

The following letter, written by a member of the machine gun section, shows the spirit of brotherly love which is shown among the Canadians at the front:

October 1st, 1916.
Dear Mrs. Wilson,
Being a friend of Rudolph, I thought I had better inform you that he has paid the supreme sacrifice. I can assure you that all the boys in the machine gun section greatly sympathize with you in your grief. Everyone here thought a great lot of him. I am sure, I don't know as there is anything else I can say, so I will remain, Yours sincerely,
L. CORP. F. MARCHINGTON,
404883, M. G. S.,
15th Battalion,
Canadians, France.

Protecting Their Good Name.
A couple of young soldiers were given a surprise last night on the corner of Sydney and Duke streets when a military policeman caused them to leave the company of a drunk woman whom they were escorting. The woman is an old offender and well known in police circles, having been arrested on many occasions. The M. P. of the regiment stopped the soldiers near the Victoria school ordered them to barracks and left the intoxicated woman to stagger her way along the street. Speaking of the affair, the M. P. said that his regiment bore a good name and were going to keep it, and the sight of two soldiers walking with a drunken woman could not be tolerated for an instant. The woman in question was only liberated from jail a few weeks ago and is a disreputable character.

HALIFAX MAN ON TRIP TO HUB

Isaac Meyers in City Yesterday Tells of Being Held Up and Robbed of Money, Diamond Ring and Gold Watch.

Isaac Meyers, a well known merchant of Halifax, was held up at the point of a revolver in Boston on Saturday night and relieved of fifty dollars, a valuable gold watch, and a diamond ring. Mr. Meyers was in St. John yesterday and in conversation with a Standard reporter related his experience with the hold-up men on a street running off Washington.

Mr. Meyers said he arrived in the Hub on Saturday night, after spending a few days in New York on a buying trip, and after securing hotel accommodation started on a short walk through some of the nearby streets. He was walking along Washington street and on approaching the street on which the robbery took place a rather rough individual approached him and asked him for a match. Mr. Meyers replied he did not have one. They were then at the corner of a dark side street and it was here that the hold-up took place. A revolver was placed against Mr. Meyers' side and he was told to empty his pockets. In the meantime a second bandit jumped from a door-way close at hand and seized him. After relieving him of his property the two men made good their escape. Mr. Meyers immediately notified the police but it was impossible to pursue the crooks as they had had time, darkness and speed in their favor. "Judging by the way they took the ring off my finger these men are old hands at the game," said he. Mr. Meyers left last night for Halifax.

WILL BUY 10,000 TONS OF HAY IN NEW BRUNSWICK

Federal Department of Agriculture to Buy in Province—Pressing Plant at Woodstock.

Special to The Standard.
Fredericton, N. B., Oct. 16.—The federal department of agriculture is arranging to purchase 10,000 tons of hay in New Brunswick this season. Hay will be secured in Carleton and Victoria counties where it is held in the quality best meets requirements, and price will be eight dollars per ton loose delivered. A hay pressing plant will be located at Woodstock and the business of purchasing, pressing and shipping will be under direct supervision of officials of the federal department.

The price to be used was that which did service in various parts of the province last year and will be forwarded to Woodstock without delay so that it may be set up and in readiness for operation at the earliest possible moment.

The price offered by the department this year is considerably lower than last year's figure. This is the case in all of the provinces where the crop is larger than usual, demand not so great, and market value therefore less. Last season Mr. F. B. Smith paid farmers \$12, and in some instances \$14 per ton, his contract, conditions of market, and persistent demand for hay, having permitted him to offer that figure.

To Meet in New Glasgow.

A general meeting of the Maritime Branch of the Canadian Manufacturers' Association will be held in New Glasgow on Wednesday and Thursday of this week. Representatives from the parent organization will be present and a number of valuable papers will be read by representative maritime business men on such subjects as "Wooden Shipbuilding," "Steel Shipbuilding in the Maritime Provinces," "Manufacturing and Cheaper Power for the Maritime Provinces." An opportunity will be afforded the visitors to inspect the various industrial plants at New Glasgow if they so desire.

East Indians in Canada.
At an interesting and profitable meeting of the Young People's Society of St. John's Presbyterian church last evening Miss Edith Cummings lectured on "A Study of the East Indians in Canada," giving glimpses of these people as they are in their homeland, as well as in British Columbia, and sketching the problems, social, industrial, political and religious which their migration to Canada creates. Miss Cummings pointed out that Rev. Dr. K. J. Grant and Rev. W. L. McRae, formerly missionaries to the East Indians in Trinidad, are at present engaged in missionary work among the East Indians in Vancouver and Victoria, B. C., respectively.

MAYOR HAYES TO VISIT OTTAWA

He will Represent St. John on the Delegation which will Interview Premier Borden on the Regulation of Food Prices.

At yesterday's committee meeting of the Common Council it was decided to send the Mayor to Ottawa to represent St. John on the delegation to interview the Premier on the high cost of living and the proposal to regulate by legislation the price of food products in war time. It was also decided to recommend a grant of \$500 to the Natural History Society and to consider the other deferred grants at the Thursday meeting.

Messrs. W. F. Burditt, A. Gordon Leavitt, R. B. Emerson, F. A. Dykeman, Wm. Brodie, Dr. Matthew, Wm. McIntosh and A. M. Belding represented the Natural History Society and the president, W. F. Burditt and Curator McIntosh told something of the work the society was doing.

The commissioners expressed themselves as in favor of the grant and it was unanimously passed.

The Mayor read a letter from Mayor Church of Toronto, requesting the cooperation of St. John in the campaign for an investigation into the cost of high living and government control of food prices. The commissioners all felt the importance of this matter and it was decided to send the Mayor to Ottawa to represent this city.

The letter from Mayor Church follows: "Sir Robert Borden has advised me that the Federal Cabinet will hear a deputation of municipalities regarding the high cost of living and proposed legislation to regulate the price of food products in war time on Friday next, October 20, at noon, in Ottawa. I will be glad if you will appoint a deputation to join the deputations from the city of Toronto and other municipalities to wait on the government and so oblige.

T. L. CHURCH,
Mayor of Toronto.
Employment of Returned Soldiers.
At the European War Veterans' Association last evening several resolutions were passed protesting against the employment of men who are physically fit where the positions could be filled by returned soldiers. Bud Tippitt occupied the chair. Besides the returned soldiers, the secretary of the returned soldiers' organization, Charles Robinson, was also present. A resolution was read and a copy ordered to be forwarded to the mayor and commissioners protesting against the employment of men at the West Side as watchmen where the position could be filled by returned men. A resolution was also forwarded to the Hon. J. D. Hazen requesting that no new men be employed in the civil service and public work departments permanently but that the positions be held open for men who are capable of filling them until they return from the front. The rooms of the association have been furnished and are to be opened for the use of the members.

Writing on Cuban market conditions, J. C. Manzer, New Brunswick representative in Cuba, says: "Lumber—Owing to lack of transportation facilities, stocks of lumber are being considerably reduced, and prices are holding firm, most of the supplies coming from Gulf of Mexico ports and Jacksonville, but considerable quantities are arriving weekly in car lots from Florida and Georgia by ferry from Key West."

No seed stock has yet arrived here but sales have been made of "Early Rose" potatoes for October delivery at from \$5.00 to \$5.25 per barrel of 165 lbs.
