### A PAGE OF NEWS ABOUT THE MARITIME

#### R. D. HANSON IS NOMINATED IN YORK-SUNBURY

After His Defeat in Great  
Convention John P. Palmer  
Makes Choice Unanimous.

#### ALMOST 700 BALLOTS CAST IN CONVENTION

Large Numbers of Farmers  
Present at Nomination in  
Sympathy With Agrarians.

(Continued from page 1)  
During the hour that was taken to  
count the ballots the four members of  
York in the legislature, James K. Pin-  
der, John A. Young, S. B. Hunter and  
Charles D. Richards, M. L. A., Parker  
Glasier, ex-M. L. A. of Sunbury, Dr.  
B. M. Mellin, of North Devon, W. S.  
Tompkins and ex-Warden John Scott  
of this city, David B. Hipwell of St.  
John, and John A. Lindsay of Wood-  
stock, were called upon for speeches.  
It was after four o'clock when the  
result of the vote was announced by  
Ex-Warden Albert B. Neill, vice-presi-  
dent of the Liberal and Conservative  
Association of York and Sunbury  
counties, who acted as chairman of  
the convention with John B. McNair,  
of this city, as secretary. The result  
of ballot was:—Mr. Hanson, 437; Mr.  
Palmer, 224.

**Makes Ballot Unanimous**  
Mr. Palmer was the first to speak.  
He thanked the convention for the  
large and creditable vote that had  
been given him and said that he would  
ask the convention to make the nomi-  
nation of Mr. Hanson unanimous. He  
would, of course, have been happier,  
he said, if he had received the largest  
vote, but he believed the vote had  
been fairly taken. He desired to see  
the party go into an election, if there  
was to be a contest, and he put party  
principles ahead of personal ambitions.

**Cheer Mr. Palmer**  
There have been splits caused in  
this party in the past over such mat-  
ters, declared Mr. Palmer, "but I am  
not that type of a man." He then mov-  
ed, amidst much enthusiasm, and se-  
conded by Albert Treadwell of Manu-  
givy, Sunbury county, that the nomi-  
nation of Mr. Hanson be made unani-  
mously, which carried and Mr. Palmer  
as he stepped from the platform was  
widely cheered.

**Mr. R. B. Hanson**  
The cheering was renewed a mo-  
ment later when Mr. Hanson stepped  
upon the platform to make his speech  
of acceptance in which he said he had  
been a private in the ranks for twenty  
years and urged the support of a  
united party, which he felt confident  
would enable him to carry his party  
bunker to victory in the event of there  
being a contest. He expressed doubt  
as to whether the United Farmers  
when they learned of the split and  
unanimity of the great convention in  
support of the Meighen Government  
would not consider the job ahead of  
them was too great and decide not  
to nominate a candidate.

**The Candidate's Career**  
Mr. Hanson is junior partner in the  
legal firm of Simpson and Hanson, of this  
city. He was born in Charlotte county  
on March 20, 1873, and graduated  
in Arts from Mount Allison University  
in 1896 and from Dalhousie University  
in Law in 1901. His classmates include  
Hon. E. N. Rhodes, the present speak-  
er of Parliament. He was admitted to  
the bar of New Brunswick in 1902 and  
became a King's counsel in 1917. He is  
vice-president of the New Brun-  
swick Bar Association and the Indus-  
trial Corporation, for which he is  
attorney. He is also a member of the  
Frasier Companies, Ltd., and The Minto Coal Company,  
of which he is a director.

**Interest in City**  
He is also city solicitor for Freder-  
icton and town solicitor for Maryville.  
He has been a member of the Coun-  
cil of the Fredericton Board of Trade,  
and for three terms from 1918 to 1920  
was mayor of Fredericton, being elected  
each time by acclamation. In 1906  
he married Miss Jean Neill, daughter  
of James S. Neill, president of James  
S. Neill and Sons, Ltd., wholesale and  
retail hardware dealers, and they have  
had three children, only one of whom  
survives. He is an attendant at the  
Methodist church and has always been  
a consistent Conservative in politics.

#### Second Attack of Pneumonia Is Fatal

Mrs. J. A. Leger Dies at She-  
dic Following Severe  
Double Pneumonia.

**Special to The Standard**  
Moncton, Feb. 13.—The death of Mrs.  
J. A. Leger occurred at her home  
in Shediac this morning, after about  
two weeks' illness of pneumonia. Mrs.  
Leger was seventy years of age, and  
had lived many years in a Shediac  
where she was well known and very  
highly esteemed. Her last illness was  
a second attack of pneumonia this  
winter. She was a daughter of the  
late Armand Leger, of Memramcook,  
and she was a sister of the late Sir

#### Unique Series of Revival Services

Church Members Rather Than  
the 'Sinners' Receive Evan-  
gelist's Attention.

Norton, Feb. 13.—The revival meet-  
ings in the Norton churches have come  
to an end. In both character and re-  
sults the meetings differed widely  
from those held on previous occasions.  
The past has seen emotional evangel-  
ism and large numerical results, but  
this has proved too frequently that  
emotion is effervescent and that num-  
bers dwindle.  
The recent meetings were truly re-  
vival meetings with emphasis placed  
upon the reviving of spiritual life and  
energy within the churches.  
It was now to have the Christians  
lambasted instead of the sinner, and  
for the churches to be told that con-  
version should be the constant task  
and joy of the local body and not the  
special work of the outside evangel-  
ist. Too many churches, we were told,  
are icehouses and only freeze-up fresh  
and enthusiastic young converts.  
The Rev. T. A. Woods, the evangel-  
ist, endeavored himself to everybody  
and especially to the boys and girls.  
Mr. W. J. McBretnay, soloist, and  
musical director, gained the sincere  
regard and co-operation of everybody.  
The evangelist and soloist have gone  
on to Stewiack, N. S., for another  
campaign.

#### FIFTY-NINE DAY VOYAGE ENDS IN WRECK OF SHIP

Term Schooner in Terrific Gale  
Drives on the Rocks of  
Quidi Vidi.

#### DORY SAVES CREW AFTER GALLANT FIGHT

"Elizabeth Fearn," With Jag-  
ged Rocks Piercing Hull, is a  
Complete Wreck.

St. John's, Nfld., Feb. 13.—The term  
schooner Elizabeth Fearn, Captain  
Vatcher, 59 days from Bahia, to this  
port in bad weather, struck at the  
northern head of Quidi Vidi at 5.20  
this morning and now lies on the rocks  
a total wreck. Yesterday she was  
seen by Cape Race, and drifted down  
in a heavy gale. During the night  
Captain Vatcher tried to work off the  
land, but under the short canvas could  
not do so. Gradually she drifted to-  
ward the land, hoping to make the  
Narrows, but struck. After the shock  
she cleared the rock and fell away to  
the south so far as the north side of  
the cat, where she brought up again.  
A flare was at once sent up and seen  
by Mr. Jos. Hannabury, who aroused  
the settlement, all the men at once  
hastening to the spot.

#### Terrific Sea Running

A terrific sea was running at the  
time, but Mate A. Power crept out on  
the jibboom and threw ashore a rope  
which was caught by John Horwood.  
The dory was then launched on the  
port side and worked around under the  
port bows to the starboard by Mate  
Power, where the others of the crew  
got aboard and were hauled to shore.  
As the sea was coming over the ves-  
sel, and it was feared she would go  
and pieces may minute through pounding  
of the waves, the crew had time to  
save very little. The captain, however,  
secured his charts, sextants and chron-  
ometer. The tug Ingraham was sent  
to the scene early this morning, but  
owing to the sea running, could do  
nothing with the vessel, which is set-  
tling by the head with the rocks  
pounding through her bottom.

The Elizabeth Fearn was a splen-  
did vessel of 246 tons and owned by  
Messrs. Campbell and MacKay.

sister, Mrs. Marie Bonfres, of Mon-  
cton, also survive.

ing Thought Extinguished  
But Broke Out Later.

Florenceville, Feb. 13.—The resi-  
dence of Mr. George Gray was total-  
ly destroyed by fire with most of its  
contents, including valuable heirlooms  
of silver, crockeryware and furniture.  
The fire started in the basement, early  
in the morning, as the result of the  
overturning of a lamp, and it was  
thought it had been entirely extin-  
guished, but some smoldering remnant  
remained between the woodwork, and  
early in the afternoon it was found  
that it was burning and spreading  
rapidly and had not been controlled.  
There was an insurance of \$2,500 on  
the building and \$1,000 on the con-  
tents.

#### NEARLY 50 PER CENT. REDUCTION IN LUMBER CUT

Scalers' Reports Place This  
Year's Cut at About  
200,000,000 Feet.

#### AMERICAN MARKET SHOWS IMPROVEMENT

Demand for Pulpwood is Not  
as Great — Revenue This  
Year About \$1,000,000.

Fredericton, N. B., Feb. 12.—Esti-  
mates received from scalers reaching  
the Department of Lands and Mines  
indicate a cut of approximately 200-  
000,000 feet of lumber upon the crown  
lands of New Brunswick this year.  
This information was given out by  
Hon. C. W. Robinson, minister of  
lands and mines.  
Last year the cut of lumber upon  
New Brunswick's crown lands was  
about 360,000,000 feet and the con-  
tribution of almost fifty per cent. that  
has been made is about the same as  
has been made in the case of private-  
ly owned lands.

**Expect \$1,000,000 This Year.**  
Hon. Mr. Robinson estimates that  
the revenue from the crown land  
stampage rates will not be less than  
\$1,000,000 this year as compared  
with \$1,200,000 last year. The increas-  
ed rates on stumpage became effective  
last August and the \$5 per thousand  
rate is being paid on this winter's  
lumber operations on the crown lands  
for the first time.

#### American Market Improves.

With a most hopeful view of the  
American lumber market, which is ex-  
pected to pick up and afford a profit-  
able outlet for the surplus lumber  
New Brunswick may have to offer, R.  
W. McCallan, president of the Cana-  
dian Realty Co., Ltd., has returned  
from New York.

As to the pulp wood market he re-  
ports conditions are not so bright be-  
cause the American mills are so heav-  
ily overstocked, but the linen trade,  
with which he is actively identified  
through his position as trustee of the  
Cherry Moore estate which operates  
extensive mills at Belfast, Ireland, is  
in a much better position than recent-  
ly and he believes the mills ought  
soon to be back to their pre-war basis.

#### FREDERICTON TO HAVE MATERNITY HOSPITAL

Fredericton, N. B., Feb. 13.—The

property of the estate of Mrs. J. H.  
Pickard, Smythe street, for use as a  
maternity hospital. Trustees of the  
property are residing at distant points  
and it will be some days before a de-  
finite decision will be reached. At  
least one other party is after the prop-  
erty.

#### TROUBLE FOR LAWYER

Halifax, Feb. 13.—Oliver Miller, bar-  
rister, Bridgewater, is to be summon-  
ed to appear in court here, next Sat-  
urday, to show cause why he should  
not be committed for contempt of  
court for having written the Chief  
Justice, criticizing the trial of a re-  
cent action in which he was interest-  
ed, according to an order issued by  
the full bench following an applica-  
tion made by Stewart Jenks, K. C.,  
vice-president of the Barristers' So-  
ciety.
