THE MECHANISM OF FENSOM'S High Grade ELEVATORS

could not be well explained in a space like this, and we will not attempt to do so. Not that they are so very intricate in design or construction — for simplicity is what we aim at — but because the average reader wishes only to be assured that the **Fensom Make** is exactly what he needs. We make but "One Grade"

One thing we insist upon in
the manufacturing end of our
business is absolute
cleanliness. . . .

All our skill in selecting raw materials and working them over into the finished product would count for little if the greatest care were not exercised to keep the goods pure.

And Cowan's Cocos and Chocolates are in popular demand because of their purity.
