Rev. J. B. Huff, Florence, writes: "I have great pleasure in testifying to the good effect which I have experienced from the use of Northrop & Lyman's Vegetable Discovery for Dyspensia. For several years nearly all kinds of foods fermented on my stomach, so that after eating I had very distressing sensations, but from the time I commenced the use of the Vegetable Discovery I obtained relief."

Whisky and Fire,

Editor World: Mr. Herbert C. Jones, M.A.,
believes he has demonstrated that temperance
advocates and lunatics are synonymous terms.
Well if seal in a good cause makes one irrssponsible or a lunatic I firmly believe many
will plead guilty if a lunatic can intelligently
perform such a feat; but like causes produce
like effects and so a blind zeal in a bad cause
must likewise effect the equilibrium. Now,
Mr. Jones, there is a great similarity between
whisky and fire and yet a yeat difference,
Fire warms, comforts and is a blessing to all
mankind. And again fire destroys the body
only. I suppose an advance in fuel would preyent fires on "Mr. Jones' true temperance
theory." I fail to see the force of the allegory.

—Se rapidly does lung irritation spread and deepen, that often in a few weeks a simple cough culminates in tubercular consumption. Give heed to a cough, there is always danger in delay, get a bottle of Bickle's Anti-Consumptive Syrup, and cure yourself. It is compounded from several herbs, each one of which stands at the head of the list as exerting a wonderful influence in curing consumption. Stabbed in the Heart.

New York, Dec. 4.—Condemio Figueria salor on the Mexican bark Maria, which was lying at Burling slip, was murdered to-night in the forecastle of the vessel by being stabbed in the heart. Paulsin Morea Mendoza and Jofela Azavela, fellow sailors, were arrested, accused of committing the murder. The bark Maria arrived in this port last Monday. At Il eclock to-night some difference arese among the men about whose turn it was to go on watch, and during this quarrel Figueria was killed. He was about 35 years of age. There was no one on the vessel who could speak Enuish. The capitain and mate of the vessel were taken to police headquarters and held as witnesses. —Chilblains, frosted feet, and all frost hites enred by a few applications of West World's Wonder or Family Liniment, the magic cure.
