

Accent

A voice, dropped in a pool of restaurant silence, resonates like rings, rings, circling the next table— where laughter ripples. The submersible voice agitates the surface leaving the speaker unchanged by sound.

Fat Boy With Hamburger

Fat boy with hamburger orders for arrival with the stripper cold draft and gravy on the fries gush into his mouth the deep rich sauce of desire dancing before him eating, gushing flashdance at ringside her high kicks reveal the pleasure of each bite

Fat boy with hamburger smiles awkwardly as she exposes his closeness and smiles a laugh at his gluttonous lust satisfied by mayonnaise on two patties of meat to the visual treat of her night white skin

Each bite her pleasure floods delight into his mouth the hard rock dream he longs to touch and eat with greasy hands— her mouth surrounds the fat boy with hamburger
