J. Oliver Smith, Esq.,
Johnstown, N. J.

Dear Sir:

I am much obliged to you for your kindness in allowing me to see your letter to the "Recorder", and I have read with interest the protest you have made. Naturally I share to the full your own feelings of indignation at the manner in which what might have been a highly useful, profitable, and necessary public service has been thrown away, as has been the case with much of the work of the Industrial Relations Commission.

Allow me to thank you for the kind and appreciative words of your letter.

Yours very truly,
