Hon. Arthur Meighen,
Leader of the Conservative Party,
Ottawa.

Honorable Sir:

Pardon the liberty I take in coming to solicit the kindness of a favour to which the young scholars and their families attach great importance.

It is in regard to the offering of a prize to encourage our dear pupils as our allowance for rewards is very limited.

This offering would be of those which give us the most pleasure, as much because of the position you occupy as for the nobility of sentiment for which everyone knows you.

Hoping anew that you will pardon this somewhat bold request,

I am with respect,

Honourable Sir,

Yours very truly,

F. Romanus, Dr.
