Rt. Hon. Arthur Meighen,
OTTAWA, Ont.

Dear Arthur:-

Much sympathy over the result of the election.
The lack of a Conservative press in Western Canada enabled
the Liberal press to get over a great many misrepresentations
which were not fully exposed or denied in any newspaper, and
turned the election here.

It is hard to realize that the Canadian people
supported Mackenzie King after all he has done and left undone.
However, he has now so many entanglements with Progressives
and Labor that his path will be difficult and his Government
may go to pieces long before the end of his term.

Very best regards.

Yours faithfully,

SER/EW.

S. Richards
