

Foreign Policy

International Journal. 1946 - Fall 1966. \$99.00.

Winter 1966 - August 1978. \$7.20 per annum.

Winter 1978 - \$5.50 per annum. University Microfilms
International.

The leading Canadian scholarly journal on international affairs. Articles are well researched and footnoted. Content is international but with numerous good papers on Canadian foreign policy. Contributors international, but largely Canadian.

International Perspectives. 1949 - 1978. \$8.50 per annum.

Micromedia. Formerly entitled External Affairs.

Published by the Department of External Affairs. This journal provides important information on Canadian foreign policy and details the current undertakings of the Department.
