OBJECTS OF THE LEAGUE.

1.—To awaken the public mind to the serious importance of national defence, and to aid in bringing about the adoption of the most effective and economical system to that end.

2.—To carry on a non-political, educational campaign looking to the adoption of the principle of patriotic, unpaid, or universal naval or military training, in the belief that such training conduces to the industrial, physical and moral elevation of the whole people, and is essential to national safety.

3.—To co-operate with the various Provincial educational authorities, the Department of Militia and Defence, and the Trustees of the Strathcona Fund, in introducing physical and military training into the schools of Canada.

4.—To aid in securing the systematic physical and military training of all youths between the ages of fourteen and eighteen.
