**A Hot Water Cure.**

We all know what pain is—and yet we don't. We know what its sensations are, and that it can be cured by two agents—drugs and heat. If heat will answer it is the better, of course. Drugging pain may be temporary relief only. If heat helps at all it is also curing.

**HOT WATER BAGS**

Are a potent aid in a hundred ills. Emergencies and pain will come where nothing will answer so well. Can be applied anywhere. We have all sizes of the best kind at prices just as comfortable as the bags.

**PLEASANT EVENING**

Miss Draper was in charge of the Epworth League meeting at the Park street Methodist Sunday school Monday evening and the program was a most pleasing one and much enjoyed by those present.

Letters from old members of the League were received from Miss Fisher, James Broad, Miss Turner, Mr. and Mrs. Johnson, and Mr. and Mrs. Osterhout. Dr. A. A. Hicks took the topic. Miss Snell and Jasper Wilson sang a duet, a ladies' chorus sang "Auld Lang Syne," and Miss Ida Stephens gave a pleasing instrumental solo.

The Maple City has been selected as the place of meeting of the Biennial Convention of the Epworth Leagues of the London conference of the Methodist church on Tuesday and Wednesday, Nov. 24th and 25th. As Park street church will not be re-opened in time the sessions will be held in the Victoria avenue church, and the best congregations will unite in welcoming and entertaining the upwards of two hundred delegates expected.

**NO DIFFERENCE.**

No distinction is made as to the kind of Piles that Hem-Roid cures. The names Internal, External, Bleeding, Blind, Itching, Suppurating, etc., are simply names of the different stages through which every case will pass if it continues long enough.

Piles are caused by congestion or stagnation of blood in the lower bowel, and it takes an internal remedy to remove the cause.

Dr. Leonard's Hem-Roid is a tablet taken internally.

It is a permanent cure and no case of Piles has ever been found it failed to cure.

Money back if it does.

A guarantee with every package.

**NEW INDUSTRY**

Two representatives of a large industry contemplating location in the Maple City were in Chatham yesterday looking over the ground.

The selection of the place where they will locate at present is said to be between three Canadian cities, but which will get it remains to be seen. The visitors seemed pleased with the city and there's no reason why they shouldn't be. The location of such a concern as they represent would mean the employment of several hundred hands and the building of large expensive buildings.

DELIGHTFUL DANCE.

A very charming event was given by Miss Helen Atkinson at her splendid home, Wellington St., last evening. A large number of her friends were present and everyone spent a most enjoyable and delightful evening. Among the guests were a number of this season's debutantes, including Misses Gemmill, Edith Holmes, Mary McKeough and Aggie Phillimore. Miss Steele, of Brockville, who is visiting in the city, was also among the many guests.

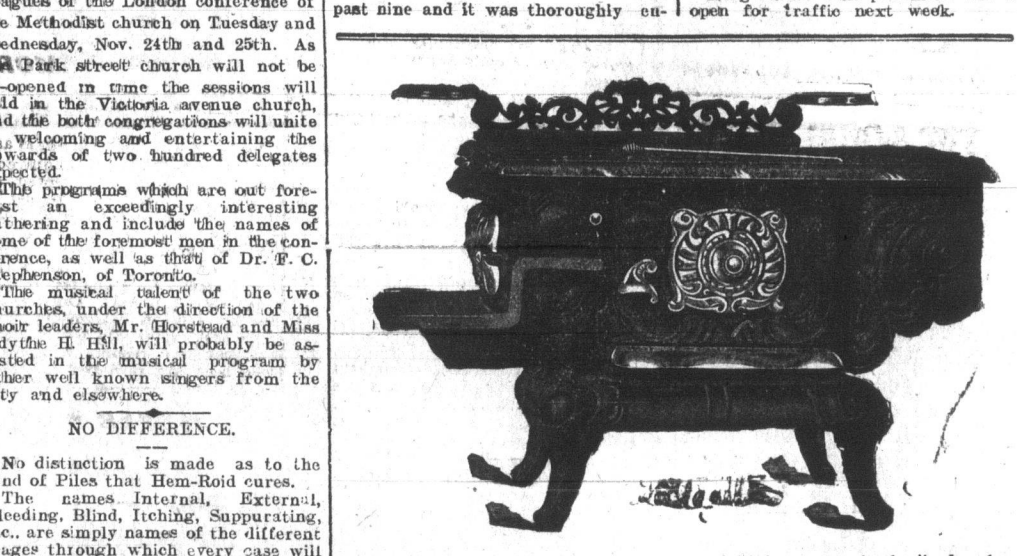

The dancing commenced about half-past nine and it was thoroughly enjoyed throughout the evening.

Miss Atkinson made a charming hostess, and it must be said that her dance was a huge social success.

**FINE CURB**

The curb and gutter for Lacroix street is completed as far as the G. P. R. track, as far as the pavement will extend. Geo. W. Martin has charge of the putting down of the curb and gutter and is an artist at the work. Numbers of those who should know who have seen part of the curb which was not in the right place and had to be torn up, say they never before saw anything like it. The stone and the cement seem woven right together and make a splendid curb. Mr. Martin has made a business of making curbs for the past 25 years and has some very expensive tools which he uses in the work.

King street west pavement will be open for traffic next week.
