SEALED TENDERS addressed to the undersigned, and endorsed "Tenders for Postal Pneumatic Tube System for Montreal and Toronto," will be received at this Department until Thursday, February 9, 1906, inclusively, for laying and jointing in the City of Montreal, 4,900 lineal feet of double line of smooth-bored cast-iron piping, to be supplied by the Government, and for furnishing, installing and erecting all the necessary special castings, elbows and fittings, including the terminal receiving and transmitting machinery and carriers.

Also for laying and jointing in the City of Toronto, 18,900 lineal feet of double line of smooth-bored cast-iron piping, to be supplied by the Government, and for furnishing, installing and erecting all the necessary special castings, elbows and fittings, including the terminal receiving and transmitting machinery and carriers.

All as per plans and specifications of John Galt, Chief Engineer. Plans and specifications can be seen and forms of tender obtained at this Department, and at the office of John Galt, Chief Engineer, Toronto.

Tenders will not be considered unless made on the printed form supplied, and signed with the actual signatures of tenderers.

An accepted cheque on a chartered bank, payable to the order of the Honorable the Minister of Public Works, for three thousand dollars (\$3,000.00), in the case of Montreal, and nine thousand dollars (\$9,000.00), in the case of Toronto, must accompany each tender. The cheque will be forfeited if the party tendering declines the contract or fail to complete the work contracted for, and will be returned in case of non-acceptance of tender.

The Department does not bind itself to accept the lowest or any tender.

By order,
FRED. GELINAS,
Secretary.
