

HOLSTEIN-FRIESIAN NEWS

Farm and Dairy is the leading exponent of dairying in Canada. The great majority of the members of the Canadian Holstein-Friesian Association are readers of this paper. Members of the Association are invited to send their contributions to Holstein breeders of interest in this column.

HOLSTEIN-FRIESIAN ASSOCIATION OF CANADA

THE 3rd annual meeting of the Holstein-Friesian Association of Canada will be held in the Canadian Farmers' Hall, 22 College Street, near corner of Yonge, Toronto, Ont., on Thursday, Jan. 13, at 5.30 a.m.

The Executive Committee will meet on Wednesday, Feb. 2, 1916, at 9.30 a.m. in the Christie Hotel, opposite the Union Station.

Annual Dues.

Members of the Association are reminded that the annual due of \$1.00 is payable on Feb. 1. All remittances should be made to the secretary's office, so that they may be properly credited and receipt sent to the remitter. Payment of dues, etc., at the annual meeting takes up valuable time and in the rush it is difficult to keep a proper record of all amounts received and to give receipts for same.

The Year Book.

Breeders who have not yet secured a copy of Volume IV of the Year Book should send an application for same at an early date. In accordance with the resolution passed at the last annual meeting the price will be \$2.00 per copy.

Notices of Motion.

Mr. J. W. Richardson gives notice that he will move to amend Article VI, Section 4 of the Constitution and By-laws by striking out the last sentence and substituting therefor the following:

To be eligible for registry, all animals must be black with white in color. Animals showing the markings hereafter specified shall not be accepted for registry:

- (1) Solid black.
- (2) Solid white.
- (3) Black with white.
- (4) Solid black with white on belly only, extending to knees and hocks. Four legs so marked will disbar from registry.
- (5) Black on legs beginning at feet and extending to knees and hocks with white interspersed. One leg so marked will disbar from registry.
- (6) Gray, or mixed black and white, generally prevailing.
- (7) Patches of other colors than black and white; red, brown, dun, etc.
- (8) Red and white.

Mr. F. R. Mallory gives notice that he will move to amend the Record of Merit rules by cancelling the first three paragraphs of the rule entitled "Confirming a Record" and substituting therefor the following:

In case a test above normal is reported, the secretary shall have authority to decide if a retest is necessary. If deemed advisable he shall immediately arrange to send another supervisor to conduct a new test, which shall extend for a period of at least 24 hours. The expense of such a retest shall be borne by the Association.

Records of more than fifteen pounds of butter-fat by junior two-year-olds, seven pounds by junior three-year-olds, eight pounds by junior four-year-olds, eight pounds by senior three-year-olds, twenty-two pounds by junior four-year-olds, twenty-two pounds by senior four-year-olds, and twenty-four pounds by mature cows shall be considered above normal and shall be subject to a retest. In case a retest is ordered and not made, the record shall not be counted unless approved by the Executive Committee of the Association.

If during any official test a supervisor finds that the animal is producing butter fat at a rate exceeding the standard for age, he shall immediately report the facts to the Secretary by wire or registered mail and shall also report at least every second day, until such time as another supervisor arrives to conduct a retest, or until notified by the secretary that a retest will not be necessary.

The Annual Banquet.

The eighth annual banquet of the Holstein-Friesian Association of Canada will be held on Wednesday, Feb. 2, 1916, at 6.30 p.m., at the Christie Hotel, Toronto, Ont.

Dr. J. A. Macdonald, of the Toronto Globe, Mr. C. F. Butler, Assistant Deputy Minister of Agriculture, Toronto; Prof. H. H. Dean, and Prof. G. B. Day, of the Ontario Agricultural College, Guelph, and others, will deliver addresses. A good musical programme will be provided.

Ladies are invited as well as gentlemen. Those who expect to attend will confer a favor by dropping a card to Mr. J. W. Richardson, secretary of the Holstein-Friesian Association, Oshawa, Ont., so that he may

have an idea of the number to prepare for. Tickets \$1.00 per plate.

Railway Rates.

Breeders attending the annual meeting will be able to obtain Single Fares on the regular Standard Plan. Ask the ticket agent for a Standard Certificate to attend the Live Stock Meetings, and make sure the same is provided for in the No certificates will be issued with tickets costing less than fifty cents. These certificates must be validated by a railway officer at Toronto for which a fee of 50 cents is charged. Going dates from Fort William and points west will be from Jan. 27 to Feb. 4 inclusive, and properly validated certificates will be announced later on the return journey west of and including Feb. 8, from points west of Fort William dates will be announced later in the agricultural press.
