

SANITONE

For the WALLS and CEILINGS

There are three features of "SANITONE" that appeal very strongly to the average woman.

1st.—She can Paint the walls herself; or have the home re-decorated with "SANITONE" by the local painter, at the minimum cost for labor.

2nd.—"SANITONE" walls are always fresh and clean, because the surface is washable; does not fade out or rub off.

3rd.—The many soft, rich tints—blending with any color scheme desired—enable the average woman to make her home refined and thoroughly artistic at very small cost.

For Furniture and Floors use C. P. SUN VARNISH STAINS, and where a high-gloss finish is desired, for inside use on wood-work, etc., use CANADA PAINT.

And we'll send you one of the most complete books ever written on the subject of Paints and Painting—"What, When and How To Paint", free on request.

DECORATIVE SERVICE FREE. Send for color schemes and suggestions for finishing any part of the exterior or interior of your building.

Turn to the Right!

THE Insurance Times of New York is one of the best authorities in the world on the subject of Life Insurance. In its issue of February, 1918, in commenting upon the fact that another of the large American Companies had adopted the mutual principle, the following words are used:—

"The Mutual idea is unquestionably the highest ideal in Life Insurance service. Cooperation, collective bargaining and distribution are the order of the twentieth century. All Life Insurance must ultimately come to be written as well as conceived on a purely mutual basis. Genuine mutualization—mutual in fact as well as in theory—will be called for in the coming years, and the company that does not limit its mutual program to its principles, but makes its practice and its policies concretely mutual, is the company that will be most in accord with the spirit of the coming generation, which before all things will be social-minded and democratic. Mutualization is the sign-board 'Turn to the Right,' and it is the road that all life insurance will eventually take."

The Six Largest Companies of the United States are Mutual Companies.

The Mutual Life of Canada is the only Canadian representative of this ideal system that has ever been developed during the whole history of the Dominion. You "Turn to the Right" when you turn to the Mutual Life Assurance Company of Canada for protection.
