These are the Kind of Stallions AND Mares We NOW HAVE

In Our Stables at Fair
Grounds at London

And they are pronounced by all parties who have seen them to be the best lot of stallions and mares that were ever seen together in Canada. There are 25 head in all. The stallions weigh from 1,900 to 2,300, and the mares weigh from 1,750 to 2,000. All guaranteed, and will sell on time to responsible parties.

If you are in the market for a good stallion or mare, come and see us. Don't wait until they are all sold.
