ONE TO SIX BOXES ARE Warranted to effect a Positive Cure. DR. RADWAY'S PILLS

Which randers them very convenient, and well adapted for children, and persons who have a distinct to take medicine, and especially pills. Another great superiority of Radway's Fills over all other pills in general use, is the fact of their wooderful medicinal strength, being highly concentrated. THE GREAT WANT SUPPLIED.

It is a well known fact that Physicians have long sought to discover a vegetable purgative as a substitute for Calomel and that would cleanse the Alimentary Canal of all diseased and retained humors, as thoroughly as Lobelia will the stomach, without producing sickness at stomach, weakness, or irritation of the mucous membrane. In Dr. Radway's Pills, this very important and essential principle is secured. A dose of two to six (according to the condition of the system) of Dr. Radway's Pills will produce all the positive a change-from a sluggish or torpid, to a healthy action of the Liver as the physician hopes to obtain by a flose of Blue Pills, or Calomel; and will as thoroughly cleanse the Stomach, and purge from the bowels the diseased and retained humors
