**In Livestock Circles****P. M. Bredt's Offerings**

Heading the list of Clydesdales which will be offered at the dispersion sale of P. M. Bredt & Company, Calgary, is "Pintail" (imp.) (9916), a handsome, big-upstanding horse of superb quality.

"Grandview Pride" (18739) is an exceptionally big three-year-old stallion, with great feet and legs and good action. His breeding traces back on the sire's side to "Hiawatha" and on the dam's side to "Prince of Wales." Both sire and dam are imported.

"Heather King" (18641), two years old, combines quality with substance. He has very good feet and legs and stylish close action. His breeding is highly desirable.

"Gunner George" (19441), also two years old, promises to develop into a very big stallion, combining great size with wonderful quality. His breeding is of the very best, having for sire the great "Baron Jan."

"Concrete" (imp.) (19860) is a young stallion showing size and substance as well as great quality. He was imported late last fall and when shown last December at auction as yearling colt he easily won first in his class.

"Fyvie Peer 2nd" (20620) is an exceptionally good big quality stallion of great promise. His action is true and straight and he stands on the best of feet and legs. His breeding cannot be excelled.

Among the females that will be offered are:

"Lauriston May Queen" (35220) is a wonderful big upstanding filly, fit to win in any company.

"Golden West Blossom" (41046) is without doubt the best yearling filly we have ever offered for sale. She is a granddaughter of the great "Baron's Pride."

"Brampton Nellie Scott" (38115) is a very big two-year-old filly of great promise. Her breeding as well as her individuality is of outstanding merit.

"Marathon Belle" (35377) is an exceptionally good three-year-old filly that has the making of a wonderful brood mare. Her breeding is A1.

"Miss Mamaluke" (40446) is a big upstanding three-year-old filly that should please the most critical buyer. She has wonderful legs and feet and moves straight and close.

"Mamma's Gem" (40634) is another of the many young promising big mares that combines great individuality with the very best of breeding.

"Miss Hazel" (36041) is a three-year-old filly of exceptional merit, both individually and in breeding. She is the best three-year-old filly we ever have owned.

"Lola Pride" (41045) is a wonderful big substantial yearling filly, with great prospects to develop into a big wonderful show mare. She was second in her class at the last Calgary Summer Exhibition in strong competition.

Most of the three-year-old, and older mares are served by such sires as "Pintail," "Northern Star" (imp.), (a very good son of the great "Baron of Buchlyvie"), "Concrete" (imp.), and others.

The Shorthorns consist of 42 head—two bulls and 40 cows, heifers and calves, of straight Scotch and Scotch-topped breeding. They represent such families as "Duchess of Gloster," "Mary Flora," "Marr Rachel," "Blanche Maid," "Nonpareil," "Mina," "Claret," etc. The sires include such famous bulls as "Butterfly King," "Village Gloster," "Rosewood Sultan," "Broadbooks Golden Fame," "Oak Bluff Hero," "Opportunity," etc. Practically all the animals are young and in the best of breeding condition. The calves that are sold in this lot are sired by the straight Scotch-bred bull "Lord Broadbooks."

The holsteins offered will include about 15 head of high-class registered holstein cattle, consisting of one imported stock bull, and cows, heifers and calves. Special mention should be made of the great stock bull (imported) "Sir Beatrice Korndyke." He is individually, as well as in breeding, one of the best Holstein bulls in the West. Extended pedigree of this wonderful bull will be gladly furnished at time of sale. The cows that are offered for sale are all of the heavy bodied true milking kind, and are tracing back to the very best sires of their time. Most of the calves and heifers are sired by the imported stock bull and the most of the cows are again in calf to the same bull.

In hackneys, P. M. Bredt & Co. are offering their famous "Scotsman" (imp.), by the great "Mathias." "Scotsman" is the undefeated grand champion of many Western shows. There are also two very good mares, "Dixie" (992) and "Ruth" (126), in the sale, and one yearling filly and two young stallions all sired by the great "Scotsman."

Three very nice Welsh ponies, six grade Hackney geldings and 8 grade Clydesdale foals and geldings will also be offered.

**Copford Ayrshires**

Five miles south-east of Pense, Sask., at the farm of F. H. O. Harrison, is to be found the Copford herd of Ayrshires, established 12 years ago. The foundation cows were purchased from R. R. Ness, of Quebec, and Pope, of Regina, and by the use of good bulls Mr. Harrison has developed a good useful herd now numbering over 25 head. Although no official testing has been done there are a number of cows in the herd that would easily qualify.

One of the really good females is "Terpsichore," a cow possessing Ayrshire type combined with dairy quality and a good breeding heifer to boot. In bulls there is a well-developed masculine bull, "Copford Benoni," second prize at Regina Summer Fair, 1918. He is rising two years old, and is from a dam that has been producing 50 pounds of milk for the first five months of the lactation period. There is also a yearling bull sired by the same bull and a
