THE LATE PTE. KERR.
One of the most popular and highly respected residents of Port Hope, Pte. Thomas Kerr of the 136th Battalion was buried in the Union Cemetery with full military honors. Pte. Kerr was about 46 years of age, was a South African veteran, and two days after the outbreak of the present conflict he enlisted with the Cobourg Heavy Battery, which was immediately despatched to assume guard duty on the Pacific coast.

Later when H. M. S. Rainbow with others provided protection on the Pacific seaboard the Battery returned to Kingston, and Pte. Kerr enlisted in the second contingent, only to be invalided home after a few weeks' training. Nothing daunted he re-enlisted in the 136th Battalion when it was first organized and was with it until his death.

Pte. Kerr was a son of the late Thomas Kerr. He is survived by his mother, two sisters Mrs. John McCullough of Midland, and Miss Jane at home and five brothers, Robert, night foreman of the Toronto World, George of the 80th Battalion, now in England, Alexander, Toronto, Andrew and John at home.

MINDEN SOLDIER KILLED.

He is Just One More of The Many WHO HAS FOUND NEW HEALTH IN DODD'S KIDNEY PILLS.
Philip McLeod tells How he Suffered from Kidney Trouble for Years and Found a quick and Complete Cure in Dodd's Kidney Pills.

Tarbot, Victoria Co., C. B., June 5th.—(Special)—Philip McLeod is just one more of the many residents in this neighborhood who have found new health in Dodd's Kidney Pills with great success.

"I have used Dodd's Kidney Pills with great success," Mr. McLeod states. "For years I had kidney trouble and could get nothing to help me. Hearing of others who had used Dodd's Kidney Pills for their kidney troubles I decided to try them. Five boxes cured me completely."

"I have recommended Dodd's Kidney Pills to many people. I cannot speak too highly of them."

The testimony of people who have been cured is better than all the theory in the world. Dodd's Kidney Pills are purely and simply a kidney remedy. If you have kidney trouble all you need to do is to ask others. They will tell you that Dodd's Kidney Pills will cure you.

They will also tell you that Dodd's Kidney Pills cure rheumatism, dropsy, heart disease, diabetes, gravel and Bright's disease. That is because all these diseases are either kidney diseases or are caused by diseased kidneys.

LOCAL LEGAL
Alford vs. Nash.—An interesting case came up for trial at the Division Court here this week between W. H. Alford, landlord, and John Nash, tenant of farm in Tyendinaga. The court house resembled a concession of Tyendinaga, so many witnesses were present. The owner complained that the tenant, Nash, had left the farm in a damaged condition and had not performed the fall plowing and seeding which the custom of the country demands. The case was finally settled by judgment being entered for the plaintiff for \$40, each party to pay their own costs, and counter claim of defendant being dismissed. W. N. Ponton, K.C., for the plaintiff, E. J. Butler, for the defendant.
