HERBERT WATEROUS
The most noted basso on the American stage is Herbert Waterous, who has been recently added to the all star cast of the DeKoven Opera Co. Waterous sings the role of Will Scarlet, a part that he made famous at the recent revival of "Robin Hood" by the DeKoven Opera Company at the New American Theatre, New York City. even though you need them quite badly, but you not only subject your self to immediate discomfort, but you may also be laying the foundation for serious trouble in the future.

The sense of sight is your most precious gift from Nature. You cannot afford to neglect or trifle with your eyes. To do so might mean not only loss of employment, but also of sight itself.

A GERMAN SCAPEGOAT
Herr Clemens Delbrueck, who a few weeks ago, was extolled in the Reichstag, for his masterly organization of the food supplies of Germany, has been invited to resign from his position. The official reason ascribed for the step is the state of his health. As he is one of the most robust ministers of state, the real cause is naturally held to be that a scapegoat has been found in Herr Delbrueck in order to appease, for the time being the rising indignation of the people at the scarcity and dearth of food throughout the country.

INDIAN FACTORIES ALL WORK FOR WAR

India is adding to the strength of the forces waging war against the Central Powers by more than furnishing troops and gifts for Red Cross and Patriotic Funds. Advances to hand show that factories for the manufacture of military equipment and aeroplanes are in full swing. The Indian press does not fail to criticize unfavorably the Mesopotamia Expedition and charge its failure to the parsimony of the Indian Finance Department, and yet in effect they say "We must see this thing through."

While Congressman Glynn was in the street pointing out spots of interest to sightseers in Washington, a man snatched his new \$5 straw hat and fled.
