British Airmen

raid was carried out in broad day-

light. They also bombed the railway

station and munition factories.

The text of the statement reads:

Motor Works at Suttgart were at-

tacked. Over 1¼ tons of hombs were dropped. Several bursts were

observed on the railway station,

where a stationary train was hit

"Three bursts were observed on a

munition factory, south-east of the town, and other bursts on the Daim-

ler works and buildings around.

"Hostile machines made a weak attempt to attack our formation

over an objective, but withdrew on being attacked. All of our machines

returned except one, which had en-

gine trouble and went down under centrol just before recrossing our ies on the homeward journ

aerial activity and heavy bombing of

tres. Northeast of St. Quentin there

turning from this attack the British pilots flew at an average height of 100 feet, firing at favorable tar-

ies lost only 88 machines on all

fronts during the week.

good by normal marriages. Germany who hold queer ideas as to the breeding of the future German. The Berliner Tageblatt devotes an article to them. It begins by saying that the pamphlet quoted in the House of Commons had no sort of official senction and that, on the contrary, it was quickly suppressed.

To blame if this condition continues, because Dr. Williams Pink Pills will surely and speedily restore health and strength. This has been proved in thousands of cases, some of them in your own neighborhood. If you are weak, or pale or ailing, or are looking old before your time, you owe it to youself to give these pills of the principle of the second of the strength of the second of the second

Children Cry FOR FLETCHER'S CASTORIA

the Tageblatt, however, mentions the activities of the "Eden and Mitthe activities of the Euch and the tagsbund" movement and the among the enemy and scattering "Hammar Community," whose ideas for increasing the birthrate and to "In heavy air fighting 10 hostile or increasing the birthrate and to "In heavy air fighting 10 hostile or increasing the birthrate and to other work downed and 10 others."

for increasing the birthrate and to breed the "Germanic superman" are regarded as distinctly peculiar.

Then there is the "German Society for Regeneration" and the "Order of the New Templars," which want to maintain the balance of births as against the fertility of the Semitic races. Finally, a society named "Ariana" frankly advocates free love. None of these sects, the Tageblatt asserts, is of any importance The paper further argues that the societies only work on the theory. the societies only work on the theor-tes of Darwin and Bobmeau-both factories at Mainz. All our machines returned. During the week 214 enemy aircraft were brought down on the western front alone, while the alof them non-Germans-who advo-
