Editorial Notes

Fortunately no one was injured as a result of the auto collision in front of the post office on Thursday but it was a close call and such good fortune is not likely to continue if bad driving and disregard for the rules of the road are allowed to continue. The ACADIAN is not willing to take the responsibility for the bad accident that is likely to occur later, and therefore again calls the attention of the authorities to the lack of control being exercised over traffic on our streets. Some day an action for manslaughter may result if present conditions are allowed to go on.

To a former popular Wolfville girl, Margaret Murray Dodds, of New York City, THE ACADIAN is indebted for a most interesting and informing booklet on "The City Manager Plan". In a private note to the editor Mrs. Dodds says: "Wolfville is exceedingly up-to-date in many matters and I should think this would make a strong appeal as the most efficient form of municipal government." It is refreshing to know that Wolfville's daughters "tho scattered far" still retain a lively interest in the welfare of the old town. It ought to meet with a more general response by those who remain at home.

Acadia Anniversary season is again at hand and the next few days will once more witness the closing exercises of the different institutions of learning which constitute Acadia University. Many old students returning to Wolfville this year will miss with a keenness the old College Building fraught with so many pleasant associations. The exercises this year promise to be of exceptional interest and with good weather a very pleasant and profitable time is anticipated. THE ACADIAN extends a cordial welcome and citizens will do all in their power to make the stay of the visitors pleasant.

The garden plot and lawn at the railway grounds, which has sometimes been a credit and real ornament to the town, still presents a somewhat neglected appearance. We are not advised whether the responsibility for the care of this property rests with the railway or some local organization. At any rate the town is interested in its appearance and ought to be sufficiently so to see that a move was made towards making it the beauty spot which it might easily again become.

Evidently the only method that will give us clean and tidy streets is that followed some years ago when a boy with a cart paraded Main street each morning and gathered up the refuse of the day before. The scraps of paper and other materials with the street and sidewalks are littered every morning give them a very untidy appearance and is not a good advertisement for the town. THE ACADIAN is not an advocate of the lavish expenditure of public money but we believe the expense necessitated in keeping our town attractive would prove a wise one.

A SATISFIED CUSTOMER

One of the numerous patrons of THE ACADIAN's monotype service, under recent date, says: "We should have acknowledged the receipt of work done by your monotype before this as well as told you how satisfactory your work was. We enclose cheque in payment of account, and now we want you to send us some more type". Other customers may be assured similar experience. Get your order in early.

On Friday evening last, at the Opera House, the Varsity Troupe, of King's College, Windsor, presented the comedy drama "Mrs. Temple's Telegram" to a large audience of townspeople and students who enjoyed a first-class performance. The Varsity Players is one of the best amateur companies that ever visited Wolfville. The characters in this clean-cut, crisp comedy were well represented in all three acts. The specialties featured some of the best jokes and song hits of the season. The piano and violin renditions were particularly good.

CARD OF THANKS

Dear Editor:—Please allow us through your paper to thank our many friends for their loving sympathy and kind acts, in the time of our greatest sorrow. We wish to thank those who so kindly gave the use of cars, those who supplied music, those who gave beautiful flowers, those of our own household who left nothing undone that loving hearts and hands could do.

Mrs. J. W. VAUGHN

SUMMER SERVICE ON THE YARMOUTH LINE

The two trip schedule will continue until June 3rd, and commencing June 7th there will be four trips per week—Leave Yarmouth on Tuesdays, Wednesdays, Fridays and Saturdays; Return from Boston on Mondays, Tuesdays, Thursdays and Fridays. The full summer service will become effective on July 3, with six round trips weekly: Leave Yarmouth daily except Sunday, and return from Boston daily except Saturday. Steamships PRINCE ARTHUR and PRINCE GEORGE will perform the service. Present indications are such that there will be heavy travel to the Provinces this summer, as shown by the number of bookings at the present time.

The large pulp mills which have been under construction at Bear River, N. S., for the past two years, were opened Saturday when they turned out their first cocks of pulp.

Notice to Ratepayers

An enormous impression appears to be on the minds of ratepayers in this county that the taxes on their property are not due and cannot be collected until after Dec. 1st.

Such an idea has undoubtedly been got from the instructions given to collectors to issue warrants for unpaid taxes at the above date.

But for the information of the ratepayers, I may say that the taxes are due when the first notice of amount due is given by the collectors, and any further time given for payment is a matter of arrangement between the ratepayers and collectors.

By order,
C. L. DODGE,
Mun. Clerk and Treas.
