G. W. V. A. FUTURE LIES IN EARL HAIG'S HANDS

Resolution Would Unite Canadian Vets Under the Leadership of British Empire Service League

OTTAWA, June 24.—The destiny of the Great War Veterans' Association, formed of ex-service men after the war, with its assets of \$8,000,000, records, amenities and membership, lies in the hands of Field Marshal Earl Haig, former Commander of the British armies in France, according to resolutions adopted unanimously at the seventh annual convention of the Association here this afternoon.

In accordance with former declarations and the expressed wishes of Field Marshal Earl Haig, the Association undertakes to proceed without delay towards the complete unity of Canadian ex-service men and subscribes without reservation to the establishment in this Dominion of the British Legion in Canada, under the direction and leadership of the "Grand President of the British Empire Service League," the resolution states. The Association will tender to Earl Haig assurance of unqualified cooperation to this end, and the assets, records, amenities and membership of the body, with full authority to complete negotiations on behalf of the G.W.V.A. requesting guarantees only in respect of three matters.

These matters are:

- (1)—That the ideals upheld by the G.W.V.A., as set forth in the Association's declaration of principles be preserved;
(2)—That negotiations in respect of transfer and consolidation be conducted so as to ensure maintenance of organization throughout, to safeguard the interests of minorities, classes with peculiar needs, the needy, disabled and dependent;
(3)—That satisfactory service facilities be continuously maintained as to enable independent and democratic expression of opinion in respect of veterans legislative questions and for the adjustment of individual claims.

MEETING HELD AT BERWICK TO CONSIDER CARE OF FEEBLE MINDED

The meeting of representatives of the municipalities of Annapolis, Kings and Queens, which was held at Victoria Hall, Berwick, on Thursday evening of last week, was fairly well attended. Owing, however, to bad weather conditions, there was a small attendance. The meeting was held for the purpose of considering the care of feeble minded persons in this section of the province. A committee composed of Messrs. J. Kerr Dimock, Municipal Clerk, and Rev. H. Stairs, agent of the Children's Aid Society for Kings County, was appointed to secure information possible for the use of a conference which will be called to order when the committee is ready to report.

Rev. Fr. Fleming, of Windsor, president of the Children's Aid Society of Kings County, was elected chairman and Coun. J. T. Roach, of Wolfville, secretary of the meeting. Rev. D. B. Atkinson, representing the Children's Aid Society of Kings County, briefly outlined the position of feeble minded persons, and a number of gentlemen present spoke regarding it. On account of the absence of a number of the representatives, it was decided that a definite action should be taken and a second meeting be convened in the near future. A committee composed of Messrs. J. Kerr Dimock, Municipal Clerk, and Rev. H. Stairs, agent of the Children's Aid Society for Kings County, was appointed to secure information possible for the use of a conference which will be called to order when the committee is ready to report.

WATERBURY—O'DONNELL

At the Baptist Church, Newcastle, Wednesday, at 3 o'clock, Miss Ella Donnell, daughter of Mrs. Edward Donnell, Newcastle, became the bride of George H. Waterbury, N.S. Rev. F. E. Bishop, pastor, officiating. The bride entered the church in the arm of her father, Mr. Bert Campbell, to the strains of Mendelssohn's wedding march, played by Mrs. Arthur Clarke. The bride looked charming in her gown of white crepe satin with silver trimmings, bridal veil and stockings and silver shoes and stockings, and carried a showy bouquet of bride's roses. The bride and groom were accompanied by the bride's father and mother, Mr. and Mrs. H. Stairs, agent of the Children's Aid Society for Kings County, and Rev. A. J. Frosser, agent of the Children's Aid Society of Annapolis County, was appointed to secure information possible for the use of a conference which will be called to order when the committee is ready to report.

CHOOLOS AND NATIONAL LIFE

Toronto Globe: A startling discovery has been made by Prof. N. McL. Rogers of Acadia University, Wolfville, N.S., and the lack of knowledge of their country possessed by university students. He found that, except for a few from Prince Edward Island, not one in a class had studied Canadian history in the high schools of Nova Scotia or New Brunswick.

THE VICTOR

NEW STEAMER FOR MINAS BASIN

D.A.R. is Calling for Tenders for New Boat

KENTVILLE, N.S.—An announcement is made by the Dominion Atlantic Railway Management that following the successful arrangements for a subsidy in connection with their Minas Basin Service, between Parrsboro and Kingsport, tenders for a new boat are now being called for.

WOLFVILLE TENNIS CLUB

The first regular tennis tea of the season will take place on July 4th, when Windsor is the visiting team in the second event of the Valley League tournament. The hostesses on this occasion will be Mrs. Eugene Eaton and Mrs. Robbie Tufts, assisted by Miss Elizabeth Eaton and Miss Jean Creighton. All tea and playing members are cordially invited. Each member is entitled to bring one guest by paying ten cents. Much interest is being manifested in the tennis club this year and it is to be hoped that the social side will be more stressed than formerly. Those wishing to become members will kindly send in their names to Miss Jean Creighton, fee \$1.00 for the season. On July 1st the Waegwoltic Club of Halifax will play a combination of players from the Windsor, Wolfville, and Kentville clubs. Tea will be served.

Government of Nova Scotia Swamped

Premier Armstrong and All Members of His Government Except one Defeated—Liberals Have Only Three Seats to Forty of the Opposition

The results of yesterday's election indicate plainly that in the opinion of the people of Nova Scotia the time has come for a change. For forty-three years the province has been dominated in its public affairs by one party and in the nature of things this could not be expected to continue indefinitely. Returns to hand are sufficient to show that a veritable landslide has taken place. Premier Armstrong and every member of his government save one, Hon. Mr. Chisholm of Antigonish, went down to defeat, and three of its supporters are returned. In Kings Nowlan and Caldwell are elected by good majorities. Below we are giving all the returns which we are able to secure at the time of going to press, publication being delayed until Friday in order to do this.

Election day passed off quietly in Wolfville. The vote polled was unusually large and probably more of the voters would have turned out but for the disagreeable weather conditions which developed in the afternoon. Naturally the result here as in the sections adjacent was received with satisfaction by the friends of the opposition candidates.

The good natured crowd which gathered in front of the office of THE ACADIAN and remained for hours in the drenching rain, received each bulletin as it was issued with applause. Our effort to give as much information as was possible was evidently appreciated and many citizens expressed to us their hearty thanks. At the opposition headquarters in the old Orpheum Theatre there were large gatherings of voters and the staff of THE ACADIAN was kept busy in procuring details of the contest.

Messrs. Nowlan and Caldwell tendered their thanks publicly to the electors at Kentville, Berwick, Kingstons, and Canning, and arrived in Wolfville at 11.30 where the Orpheum was filled with expectant citizens. Both candidates were given a royal reception and in brief remarks expressed their appreciation of the support extended to them. Other features of an entertaining character were presented and the whole affair passed off most pleasantly.

The staff of the local telephone exchange rendered splendid service in procuring and supplying information, for which they received high commendation.

The following are the results in the counties:

Table of election results by county: Annapolis, Antigonish, Colchester, Cumberland, Digby, Guysborough, Kings, Lunenburg, Pictou, Queens, Richmond, Shelburne, and West Hants.

Table of election results by riding: Antigonish, Kings, Lunenburg, Pictou, Queens, Richmond, Shelburne, West Hants, and Wolfville.

RESULTS OF ELECTION IN KINGS COUNTY

Table showing results in Kings County: Sheffield Mills, Canning, Kingsport, Scotts Bay, Delhaven, Canard and Port Williams, Centreville, Halls Harbor, Upper Dyke Village, Aldershot, Woodville, Somers, Kentville, New Minas, Grand Pre, Greenwood, Gaspereau, Wolfville, Avonport, Lochhartville, Millville, Greenwood, Kingstons, Dalhousie, Dempsey Corner, N. Kingston, Cambridge, Berwick, Canada Creek, Harborside, Totals.

THE VANQUISHED

Hon. E. H. Armstrong, Premier of Nova Scotia, who was defeated in Shelburne county yesterday.

BOYS AND GIRLS OF ENGLAND HIP FLASK TOTERS

In an article in a recent issue of the Saturday Evening Post, Kenneth L. Roberts takes a fling at those who find in prohibition the cause of all the ills which flesh is heir to. It is frequently stated that prohibition has resulted in increased drinking among the youth of the United States. Mr. Roberts says: "Our English cousins are in a state of nerves over the persistence with which the younger Britons are toddling around to dance clubs at all hours of the day and night with flasks on their hips, and doing exactly the same things that young Americans are doing."

"Some blame it on prohibition for the subject that great numbers have yielded to the emotional urge of writing to the London Morning Post on the subject, and from their letters it may easily be seen that the British differ widely as to the cause for all this loose living.

"The English feel so bitterly on this subject that great numbers have yielded to the emotional urge of writing to the London Morning Post on the subject, and from their letters it may easily be seen that the British differ widely as to the cause for all this loose living.

CROSS WORD PUZZLE CONTEST

Five correct solutions to last week's puzzle were received by us. First prize goes to Miss Hattie A. Pierce, and second to Miss Ethel M. Parker, both of Wolfville. GERMANY MAY ENTER THE LEAGUE

LONDON, June 24.—The Berlin correspondent of the Daily Chronicle in a cable this morning asserts that Germany has received a reply to the question on the pact which was sent to France and that the way is being paved for the entry of Germany into the League at an early date.

8,000,000 PEOPLE IN LONDON

Recent unofficial estimates of the population of Greater London, have put the figures at about 8,000,000. The London telephone area covers 735 square miles and the Metropolitan Police District, 691 square miles—and both are said to be growing rapidly. The distances across London from various sections of the greater city, vary from 20 to 30 miles.

RED SOX LEADING IN TOWN LEAGUE

Take First Two Games from Braves—Good Ball Being Played

The opening game of the Town Baseball League was played last Friday evening, when the "Red Sox" defeated the "Braves" by the score of 6 to 3. Splendid ball was played for an opening game and it was deserving of a much larger audience. It is hoped that now that the election is over the citizens of Wolfville may show more interest in the local league. Wolfville being one of the few places in the Valley in which baseball is being played this season, and opportunities for witnessing games will be few except for the local league. The next game will be played Friday evening when the High School boys meet the "Braves". This is sure to be a good game. Last Friday's game was closely contested throughout and the final result was always in doubt. For three innings there was no score. In the fourth the "Red Sox" scored one and the "Braves" two. The "Red Sox" added three more in the fifth and held their lead for the remainder of the game. The "Braves" scored one run in the fifth and the "Red Sox" increased their score by two in the sixth. There was no scoring in the seventh which was the last inning. Both Munro and Barteaux pitched well and had very good support. Barteaux struck out twelve and Munro ten. The teams were as follows: "Red Sox"—Dick, c; Saunders, 2b; Elderkin, ss; Barteaux, p; Kenzie, 1b; Rand, cf; Rudolph, 3b; Grant, rf; Jefferson, lf.

"Braves"—Gould, 2b; Patriquin, 1b; Spinyay, ss; C. Munro, c; Angus, rf; Harrington, cf; Wallace, 3b; D. Munro, p; Evans, lf.

Monday night's game was postponed on account of the weather, and was played on Wednesday evening. In this game the "Red Sox" were again victorious, defeating the "Braves" by the score of 8 to 1 in six innings. Wallace pitched for the "Braves", striking out four and allowing seven hits. Dick pitched five innings for the "Red Sox" allowing three hits and striking out three. Kenzie pitched in the sixth, when the "Braves" got their only run. A feature of the game was Elderkin's sensational catch in the sixth inning, when he ran back to centre field and caught the ball over his head with one hand. The teams were as follows: "Braves"—Gould, 2b; Patriquin, 1b; Spinyay, ss; C. Munro, c; Wallace, p; D. Munro, 3b; Harrington, rf; Mitchell, cf; Smith, lf; Northover, cf; taking Mitchell's place in the fifth. "Red Sox"—Kenzie, c; p; Rudolph, 3b; Poole, 1b; Elderkin, ss; Dick, p; & c; McLed, cf; McDonald, lf; Saunders, 2b; B. Barteaux, rf.

PLEASANT GATHERING AT MASONIC HOME

A former resident of Wolfville, now a guest at the Masonic Home, Windsor, has sent us the following account of a visit from the Masons of Canning and Kingsport: The Masonic Home was quite surprised on June 17th by a visit from the brothers, with their wives and children, of "Scottia Lodge" of Canning and Kingsport. They arrived about two p.m. in 12 automobiles and there were about 60 in number.

SMOKING FISH

In connection with the fact that shad were caught in larger numbers this year in the Miramichi river than for many years past, it is interesting to note that Dr. Huntsman of the Atlantic Experimental Station for Fisheries, Halifax, has been making some experiments upon better methods of smoking fish. Shad sold in Chatham, N.B., this spring as cheap as three cents a piece, or about a cent a pound. The public may thank the Fisheries Department for the increases in the catch of this fish in recent years. A complete stoppage of four years in the fishery gave the shad a chance to multiply, and the big catches in the past few years has been the result. The low prices for shad in Chatham and Newcastle this year suggested to fishermen that it would be a good thing to smoke some for future use. Smoked ones are preferable to salted ones, though frozen ones are better than either. Few fishermen, however, have facilities for freezing shad. They must, therefore, depend upon smoking and in this operation every fisherman is a law unto himself. It will therefore be of interest to learn that Dr. Huntsman, the director of the Biological Stations both at St. Andrews and also at Halifax, has succeeded in shortening the process of smoking fish as well as of producing a more uniform quality. As soon as the process has been further improved, the Biological Board of Canada, under which the two biological stations work, will issue a report upon the subject and will employ a trained man whose duty it will be to spread a knowledge of the improved methods among fishermen. In this way it is expected that in some seasons when fish are more abundant than can be marketed in certain localities, they may be smoked and sold later on to better advantage when fish are scarce.
