She and he seem very much attachment of a small dog and fondles it constantly?"

"She will when I prove what a despicable scoundrel he is, and open her eyes a bit about his doings in London."

"O, Major! that I should live to hear you say such things!"

No girl ought to think of marriage until she can wash and iron. She can't get along well unless she knows how to smooth her husband's hear you say such things!" M. S. EDGAR WILSON is authorized to settle accounts of the Estate of the late William Wilson, Esq., M. D., and receive moneys due the Estate.

she says, jestingly. "What long, with me, and let us drink the future long faces! But that the silence of Mrs. Dugdale's health in a bumper r Goods! long faces! But that the stence of the grave seems to reign, I should say you were all indulging in a battle royal. What is it, George?" laying her hand upon his shoulder

with a soft, caressing touch.

Taking down the hand, Carew

THE subscriber has now in Stock a Large and Complete Assortment of Large and Complete Assortment of Sultable for Winter and Spring Trade, Including all the Newest and Most Fashionable Styles in Hats, Bonnets,

who is rather in the background, with his head bent downward and his first and subscriber has now in Stock as leaves the bent downward and his arms crossed upon his breast. Feeling the intensity of her regard, he raises his head, and meets her gaze full. In his eyes there is a world of sorrowing, a passionate tegret, a dumb agony sad through its hopeless longing.

"Clarissa!" says Haughton, entreatingly, attempting to take her treatingly, attempting to take her the Junction of the Cape Railway with the L.C. R. Also, three Lots with the Climax Chemical Co., Montreal, is for Climax Chemical Co., Montreal, i

"Clarissa!" says Haughton, en treatingly, attempting to take her hand.

"No, no!" she exclaims, hastily, waving h m back, her heart beating painfully. Then, "Clive, will you not speak to me?" she says, moving a step or two in his direction. The effect is electric. At her words Dugdale starts violently, the sadness disuppears, and in its place a great gleam of joy rises and illumines his face. Yet even now he hardly dares believe in his own good fortune,

Going up to her, he imprisons her hands and asks, in a voice so changed she scarcely knows it to be

changed she scarcely knows it to be

"Am I your choice?"

"Yos," faintly,
"You love me, Clarissa?" almost vehemently.
"Yes," returns she, again. And then, overcome by her emotion and the situation generally, she burst into tears; whereupon Clive, unmindful of her brother's presence or that of his disconcerted rival, catches her in his arms; and with a sob she lays her head upon his breast.

Deaving Weston about two hours later he has just resched the entrance gate, when he finds himself, for the second time to day, face to face with the valiant Major, evidently bent on slaughter, "You see I have kept my word," says the warrier flercely; "I am not to be frightened, even by a frown from Venns! I have come to reason with Clarissa about this talked-of engagement."

"There is no need. I can tell you have a product of long laboroitus, and successful chemical investigation, and their extensive use, by physicians in their practice, and by all civilized nations, proves, them the best and most time, they return the best and most time, and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, and currently bent on slaughter, "You see I have expensed the entrance gate, when he finds himself, for the second time to day, face to face with the valiant Major, evidently bent on slaughter, "You see I have kept my word," says the warrier flercely; "I am not to be frightened, even by a frown from Venns! I have come to reason with Clarissa about this talked-of engagement."

"There is no need. I can tell you have been all about it."

"There is no need. I can tell you all about it."
"Well?" impatiently. has resigned her position in order to get married," remarked an old benedict to his wife. "Poor thing. "It is only too true. She is going to be married!"
"And who, pray, told you that pretty piece of news?"
"I had it from her own lips." I pity her," said the helpmeet. "Why so?" "Because, after the honey moon is over, she'll have to sit up

"You don't say so!" exclaims the male comes in."

Major, staggered; then picking up courage again he advances a step.
"All the more cause why I should now interfere," he says, with much determination. determination

She and he seem very much attached to each other. I am almost sure she will not give him up."

"She will whan I recommend to a friend; "Do you know the female ourang outang at the museum has formed an attachment for a small dog and fondles it constantly?"

nearer; the door is thrown open, and Clarissa, fresh and sweet as the perfumed flowers in her shads, stands upon the threshold.

"Why, what a solemn conclave," stick, "but come straight home to shad the straight home."

Every Spring.

How AN APPLICTING ANNUAL VISITOR WILL BE SOLD

with a soft, caressing touch.
Taking down the hand, Carew holds it closely in his own and regards her with silent scrutiny for a foll minute. Then glancing at the two men, he says, as though decided:
"My sister is here—she shall speak for herself. Clarissa, Sir Wilfred Hanghton and Clive Dugdale wish to tell you—that they—love you; they have come this afternoon to ask your hand in marriage. It is for you to either refuse them both —or—make your choice between them."

He has spoken disjointedly, but to the purpose. Clarissa, growing white as the lilies in her trembling fingers, shrinks away from him, and, letting her flowers fall, covers, s. &c.
