THE FARM COW TESTING ASSOCIATIONS' LESS-ENED PRODUCTION. Dominion Department of Agriculture, Branch of the Dairy and Cold Storage Commissioner. August records received at Ottawa from members of cow testing associations indicate that in most districts the flow of milk is well up to the average. In some localities there is but a very slight decrease from July yield of milk, so light that the increasing richness shows a trifle higher yield of fat. In other localities, unfortunately, there is a very marked shrinkage, as much as 120 lbs. and even 180 lbs. of milk per cow less than in July. Many dairy farmers have accordingly vowed that next year will not see them caught without any provision for maintaining the flow, but they have determined to provide some soiling crop, and if possible build a silo, so as to ensure sufficient feed for probable hot spells in July and August. Such men are wise. Some districts have as high averages as 870 lbs. of milk and 29 lbs. of fat in August. Such wise dairymen had made provision of suitable feed. Others, less provident, had to be content with a yield of 580 lbs. milk and 21 lbs. fat per cow, while here and there the average yield was down to 300 lbs. milk and 16 lbs. fat. Such men might well copy the methods of their brothers farmers who regularly secure the larger yields. Selection of the best cows can be made intelligently when records are kept of each cow. C. F. W. Ottawa, September, 1909.

AGAINST MISSIONARIES. Leopoldville, Belgian Congo, Sept. 20.—After several postponements the trial of the two American missionaries, Rev. Wm. Morrison and Rev. Wm. H. Sheppard, on charges of libel, began here today. The suit was brought by one of the concession companies which has a monopoly of the rubber gathering in the Kasiri region. It claims \$20,000 damages from each of the men for "calumnious denunciations." The circumstances are such that the suit is considered practically as brought by the Belgian Government against the missionaries. Messrs. Morrison and Sheppard arrived at Leopoldville on Aug. 5 with witnesses who will testify in their behalf. FRENCH BATTLESHIPS ARRIVE. New York, Sept. 20.—Three battleships composing the squadron which will represent France in the Hudson-Fulton naval ceremonies, arrived off Sandy Hook last night, and two of them came up the harbor early today. They are the Justice, Liberté and Verité, sister ships, under command of Admiral Lepoerle Laperd.

CHARLES DEAN, of Toronto, Under Arrest in Michigan. Detroit, Sept. 18.—Raymond Warren, of Philadelphia, and Charles Dean, of Toronto, are under arrest at Flint. The pair were trying to dispose of some costly silks at a second-hand store, and had two suit cases and several bales of an expensive brand of champagne. Dean confessed that they secured the articles from a box car at Port Huron, which they had burglarized Wednesday night. They will be taken to Port Huron.

BEER FREE AS WATER. At Sunday Carousal In Local Option District. (Special to the Times.) Beamsville, Sept. 20.—After several adjournments the Kupitz case came to trial on Saturday afternoon. The court was not ready in the morning and the large number of farmers that packed the hall had to go home and back again after the noon hour. It was the most interesting of the long line of liquor cases that has kept the district in the lime light. T. C. Robinette, Toronto, was present for Kupitz, and Crown Attorney Brennan gave all those interested in the de-bauch a grilling. The charge against defendant was that on Sunday, the 29th of August, he sold liquor without a license. When Constable Jay D. Book, of Grimsby, arrived on the scene he found six empty beer kegs, glasses, taps and a whiskey bottle. There were men lying around the premises of O'Hare, Kupitz's brother-in-law. Others were on the road home; some were sleeping. The picnic started on Saturday night and finished up about 4 o'clock on Sunday, just when the constables got there. Jacob Book was the first witness called. He had been invited by Kupitz to go over. He did not know there was going to be any beer there. John Run-ging asked him to have a drink; it was as free as air. There were no ladies there, and he saw no money paid. Arthur Marsh went out to Kupitz's place on Saturday night on a dray. It was a picnic previously arranged; no-body slept much; there were ten on hand. The beer lasted until about 5 o'clock Sunday afternoon. More men came that day. He had paid Jas. Coats \$1.50 for expenses. Coats was to buy and pay for everything. They had pickles, biscuits, cheese and beefsteak for breakfast. There was no indecency and no noise, he said. It didn't cost Wm. Downs a cent; he had all he could drink. Fred Kupitz, the thirteen-year-old son of defendant, proved an apt witness. In a breezy manner he told the Crown Attorney that the boys were only having a few glasses of beer; they were Germans, and it was their belief to drink beer. Expenses cost Scott Marlatt \$1.50, paid to Coats. He saw nothing given to Kupitz for the drinks. Tom Flood was another who enjoyed the picnic. He contributed the same as the rest. The party met by appoint-ment at Grimsby Park and went over the mountain on Kupitz's dray along with the beer and eatables. The wet goods were consigned to Coats, and he got it out of the express office in Grimsby on the Saturday night. He gave the following statement of the cost of the big time: Express charges, \$1.45; beefsteak, \$1.40; crackers, cheese and pickles, \$1.25; bread, 50c.; beer, \$3.45 and 86c.

SHOT DEAD. Grigoria Franzer Dies Instantly in Falls Boarding House. Niagara Falls, N. Y., Sept. 20.—Gri-goria Franzer, 30 years old, was murdered last night at 10 o'clock at No. 1510 Ashland avenue, a boarding-house. Another Italian known as Jim Steer, is accused of the murder. The men had quarreled and in a fight which followed Steer drew a revolver and shot Franzer in the thorax, the bullet severing the carotid artery, and lodging against the spinal column. Death was instantaneous. Steer ran up Ashland avenue and cut over to Elmwood avenue, and into Nine-teenth street, where he took to the open fields. A dozen policemen were quickly on the job and beat the bush, driving Steer into Pine avenue. He was not seen as he ran to a house in Twentieth street. Detective Callinan began a search of the houses in the neighborhood and entered the house where Steer had found refuge. The owner of the place was too much frightened to tell the officer of the other's presence. Callinan was searching a front room when Steer made his escape through the kitchen door. He has not since been seen.

BABY'S BODY. Little Corpse Taken From the Niagara Eddy. Niagara Falls, Sept. 20.—Officer Frank Diemer, of the state reservation police, while patrolling the river front this morning about 11 o'clock, found the dead body of a newly born female child in the river, almost behind the Whitney homestead, just above Willow Island. Coroner W. A. Scott and Dr. Frank Guillemont, who performed the au-topsey, said that the child had evidently been born the previous night, and alive, though the mother had not had medical attendance. The body was bundled loosely in a woman's wrapper. A mark on the body led Dr. Scott to believe that it had struck a stone when it was cast into the stream.

FLY TO ALBANY. Wilbur Wright Has Aeroplane Equipped to Fly 500 Miles. New York, Sept. 20.—Wilbur Wright arrived here yesterday and inspected the field at Governors' Island from which he and Glenn H. Curtiss are expected to attempt a series of flights over the sky-scrapers of Manhattan during the Hud-son-Fulton celebration. "The machine I shall use here is a composite creation, made of parts of five of its predecessors. It could carry gasoline sufficient for a flight of 500 miles." Mr. Wright declined to say whether he would attempt to fly to Albany during the celebration. "The public de-mand for new sensations is debauching the science of aviation," he said. "Too many of the men flying are now being led astray by the desire for notoriety. What we want now is not so much long flights, but more instructive flights. Any attempt on my part to fly to Albany will depend on conditions—the weather, how the engine is running, and my judgment."

REFUSED FIAT. Attorney-General Gives Decision in Murray Application. Attorney-General Foy has refused to grant a fiat to Major John A. Murray, to enable him to move for a permanent injunction restraining the Hydro-Elec-tric Power Commission from carrying out its contract with the Ontario Power Company, on the ground that the Ontario Power Company is taking water from the Niagara River without authority from the Dominion Government.

SON OF LORD IN JAIL. He is a Habitual Vagrant in Canadian West. Winnipeg, Man., Sept. 20.—Norman Scott, aged about 35, son of Sir John Scott, of Cardiff, Wales, was yesterday sentenced to three months' imprisonment as a common vagrant by Magistrate Daily. Scott had already served a six-months' term at Regina. He positively refused to work. He has held several good positions, which he secured through the influence of his father, but has lost them all.

HAD A GOOD TIME. The annual combined picnic of D and H. companies of the Ninety-Fifth High-landers was held on Saturday afternoon at Oakland Park. Both companies turned out strong and the sport was keenly enjoyed by all. Company D won both the baseball match and the tug-of-war in easy style. The officers present were: Major McLaren, Capt. Roy Moodie, Capt. Jack Moodie, and Lieut. A. J. Taylor. In the presence of a large number of parishioners and visiting clergy, Bishop Sweeney laid the corner-stone of the new church for the parish of St. Aiden's at Balm Beach, on Saturday afternoon.
