TEACHERS MAY FORM ANOTHER UNION
At independent gatherings, immediately after the close of their County Institutes, this year, the School Teachers of Charlotte, and also of Victoria and Carleton Counties, demanded higher salaries and determined to memorialize the Government to that effect and bring the question up again at the provincial institute next August. Kent County Teachers did the same in their Institute. Charlotte County Teachers propose to revive the N. B. Teachers' Union, that was organized in Albert County in 1902 by Wm. M. Burns, Edward A. Coleman and H. H. Stuart, spread over the province and exercised considerable influence until it became dormant in 1907.

NOTED MUSICIAN OF MONTREAL

Advise The Use Of "FRUIT-A-TIVES", The Famous Fruit Medicines.

MR. ROSENBERG, 589 Casgrain St., Montreal, April 20th, 1915.

"In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as 'Fruit-a-tives'. I was suffering from these complaints for five years, and my sedentary occupation, music, brought about a kind of Intestinal Paralysis—with nasty headaches, belching gas, drowsiness after eating, and Pain in the Back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try 'Fruit-a-tives', and now for six months I have been entirely well. I advise anyone who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, to try 'Fruit-a-tives', and you will be agreeably surprised at the great benefit you will receive". A. ROSENBERG. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.
