OUT OF THE OCTOBER GALES

N.B. Captain H. J. Fritz, arrived at Captain and crew of the barquentine Simuel Garley, of the Bend-Or, who, which is anchored in Gravesent Bay, told the story of the loss of the vFSsel 10 al Herald reporter. He said that the verel was bound from London and Liv. repool to St. John's, Newfoundland, tending subscribers will therefore confer . un the 18th October. at 10 a.m.," he continued, "we were laying too under close-reefed mainsail, the wind all; the while blowing a hurricane. An hour to this office. later we shipped a very heavy sea, which threw the vessel on her beam ends. The Brigus-Mr. P. J Power, School Teachcargo shifted and the mainsai," mainstaysail and mizzen were carried away. The boats were knocked adrift and the Heard's Content-MR. M. MOORE. decks were filled with water. All hands were kept at the pumps. Our foremast backstays and rigging were cut away to windward, and at 7 p.m., the topmast Twillingate-Mr. W. T. Roberts. tel over, taking all sails with it. We passed a terrible night, the men working like heroes at the pumps. On Tilton Harbor-Mr. J. Burke, Sr. the following day, the 19th, the vessel again shipped a heavy sea which took away the jibboom and nearly all else, Al this time the Lew Wood and Captain Fritz was near us, and all possible assistance was rendered us. Captain Fritz Bay desVerds-Mr James Evans kept close to us, even at the risk of his Collier-Mr. Hearn own craft, and after repeated efforts to men. It was a terrible experience for everything the could for us."

The followng gentlemen have kindly onsented to act as our agents, all in favor by sending in their names and ubscriptions that they may be forwarded
