## LOCAL AND OTHER ITEMS.

### ST. JOSEPH'S BAZAAR.

A live-out service is to be instituted at Cape Town.

Dr. J. H. MACLellan, formerly of Summerside, has opened an office at Moncton, N. B.

WANTED.—Situation by a boy who understands the care of horses and other stable work. Enquire at this office. II

The wheat crop of Manitoba averaged 20 bushels to the acre, making an average yield of over four million bushels.

This river Shannon overflowed its banks at Athlone last week drowning a large number of cattle and rendering many families homeless.

ALVIN FRENCH, engineer, was instantly killed in a collision on the C. P. R. near Terrebonne, P. Q., Thursday morning. He was a native of New Brunswick.

INTELLIGENCE received by the department of agriculture, reports Canadian apples in good demand in England, 20 shillings per barrel is the usual price.

No. 2 BATTERY, G. A. of this city has obtained the highest number of marks in the General Efficiency Competition for 1890. No. 5 Battery, Halifax stood second.

BUREAU, the English carman, defeated Matheson of Australia, in a single-ennel race for £100 a side, at Sydney, N. S. W., on Thursday.

THURSDAY the eighth day of January has been fixed as the day, on which voting for the repeal of the Scotts Act in this city will take place.

The Montreal High School, an institution attended by 250 pupils and 100 students, and valued at \$60,000, was burned to the ground on Friday evening.

SENATOR LEVISON's lectures in the Lyceum on Monday evening next at one of the funds of the Benevolent Irish Society. Subject: "Ourselves."

Mr. PRENTISS, safe-busting man, St. John's, Newfoundland, P. Q., on Friday blown 100 feet in the air breaking an arm and a leg and losing his left eye.

The steamer Simon Dulles sailed from Souris on Thursday evening for New York with a cargo of 16,000 bushels of oats purchased at \$1.00 a bushel. Both were killed and about a dozen injured. Some of those killed presented a awful appearance, being dismembered and dislocated.

A LONDON despatch says: A London merchant has been indicted for having sold to the British government 100,000 bushels of gold coins issued prior to the accession of Queen Victoria. After the date mentioned each coin will not be legal tender.

The large pack of twenty-five step organisms, Mr. Morris Miller Bros., of the city of Albany, New York, have been purchased by the Roman Catholic Congregation at Cordoba. We congratulate St. Thomas' congregation upon the acquisition of such a valuable instrument.

On Wednesday last Mr. Robert Douglas of Norton, went to do some shooting for Mr. Peter Harrington, of the same place, each putting a horse on the mill. While they were at work the bats came off, and Mr. Douglas' horse stumbled, got caught in the machinery and was killed. Mr. Harrington's horse was injured but escaped being killed.—*Advertiser*.

John P. Currier, lobster gather and commission merchant, of Halifax, was arrested on Wednesday night on the charge of forging an invoice dated Jan. 10, sworn to as current and purporting to be signed by A. J. Lower of Boston. The information was held by customs detectives Bonnes and O'Keefe.

The Carroll sailed for Boston on Thursday evening with a full cargo consisting of 16,000 bushels of oats, 720 cases of general goods, and a variety of hardware. Her passengers were J. Murphy, D. Vaughan, N. Currie, and Maggie Trudeau. Should the weather permit and a sufficient amount of freight accumulates, the steamer will make another trip to this port.

We are pleased to learn that the express train is to continue her daily trip between this city and Truro until New Years. This will prove an especial boon to business men living west of Summerside, for whose wants the concession has been made. Supra. Unsworth is always ready and willing to accommodate the public with all the facilities in this matter will receive their hearty approbation.

The reading looks at present used in the schools of this Province are to be changed. The Board of Education has decided that future the Canadian Standard, published by T. V. Green & Co. of Toronto, will be the book used; but no extra expense will be entailed by parents, as the old books will be taken and new ones provided.

Imports return for the fiscal year, 1890, 20,000,000, and more or less constant show. The total trade (exports) of goods entered for transhipment aggregate \$200,000,000. The imports show a total increase three millions over the previous year. The imports aggregate \$102,370,000. Of the total imports 70 per cent. were on the dutiable and 30 per cent. on the free list. The duty collected was \$16,000,000. The exports aggregate \$107,700,000. Of every ton, one and a half million dollars with the present price. Of the exports 90 per cent. were the produce of Canada.

A SPECIAL despatch of the 27th to the N. Y. World says a battle is in progress between the military and Indians in the Northwest. The Indians, 2,000 strong, the Indians had the upper hand, inflicting severe loss on their number who shot a trapper. An attempt to rescue the official or brought on a conflict which is to all accounts now being waged with great vigor. The Department has sprung three companies of field militia to meet the emergency. Advice from various points may lively skirmishing is in progress all along the line.
