**The Economy of
Paisley Flour**

The true raising powder—is so
great that a 5 cent tin is sufficient
for a pound of ordinary flour, a
22 cent tin for half a stone.

And do
you know
that by using Paisley Flour, cake
making at home is very little trouble;
also it is much cheaper than using cake
mixtures.

A great advantage of home baking with
"Paisley Flour"
The SURE raising powder.

is that you know what is in the cake—that
all the ingredients are clean and sound.
Use one part Paisley Flour to eight parts ordinary flour.
