HATS.**

Tried and proven for half a century, is
now open for your inspection at

SMYTH'S.

They fit like old ones.

Would You be No. 1 or No. 2?

1. Two estimable city ladies—sisters—sent \$1,000 to a firm
of leading lawyers to be invested, which was done under
a First Mortgage for 3 years at 7 per cent. per annum.
In three years' time that investment will have
become just **\$1210**

2. A valued client of ours borrowed that \$1,000 and spent
\$900 with us, between American Mineral Shares and Per-
fection Tire Shares. He received an immediate dividend
of 2 per cent., which, added to the very conservative dividend
of 1 per cent. monthly for 3 years, makes \$342, plus the \$100 he
retained, while his investment is guaranteed by us
to be worth then \$2,050, totalling **\$2492**

Let us show YOU in black and white.
