Chines' Patent

SLATE ROOFING PAINT!

AGENTS WANTED IN EVERY TOWN.

A Roof may be covered with a very cheap shingle, and by application of this slate may be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better and lasting longer than new shingles without the slate, for ONE THIRD THE COST OF RE-SHINGLING. The expense of slating new shingles is only about the cost of simply laying them.

The Paint is Fire-Proof

against Sparks or Flying Embers, as may be easily tested by anyone, and appears from the fact that Insurance Companies make nearly the same Tariff as for Slated Roofs. For Tin and Iron it has no equal, as it expands by heat, contracts by cold, and NEVER CRACKS NOR SCALES. For Fences it is particularly adapted, as it will not corrode in the most exposed places. Roofs covered with Tar Sheathing Felt can be made water-tight at a small expense. The Slate Paint is

EXTREMELY CHEAP!

Two gallons will cover over 100 square feet of shingle roof, or over 400 of tin or iron. No Tar is Used in this Composition, therefore, it does not effect the water from the roof, if turned off from the eaves before the first few rains. On Decayed Shingles it fills up the holes and pores, hardens them, and gives a new, substantial roof that will last for years. Curled or Warped Shingles it brings to their place and keeps them there. It fills up all holes in tin or felt roofs, and STOPS THE LEAKS. The color of the slate when first applied is dark purple, changing in about a month to a light uniform slate colour, and is, to all intents and purposes, SLATE. The Paint has a very Heavy Body, but is easily put on, and, although a slow dryer, rain will not affect it in the least one hour after applying.

ROOFS EXAMINED. ESTIMATES GIVEN.

And when required will be Thoroughly Repaired.

Orders Respectfully Solicited.

Town and County News

REMEMBER the Tea Social in the Good Templar's Hall this evening.

We have to thank Mr. Jas. Millar, who was in England a couple of weeks ago, for copies of the late London papers.

A number of English immigrants have arrived in Galt. They got work on the Credit Valley Railway.

Poultry Association.—A meeting of the Poultry Association will be held at the Queen's Hotel this evening. All parties interested are requested to be present. See advt.

DEATH OF AN OLD RESIDENT OF NEW HAMBURG.—Mr. John Bender, one of the oldest settlers of New Hamburg, died on Tuesday. He was universally respected, and his loss is greatly deplored.

BURNED TO DEATH.—George Langford, of the 15th concession, London township, while endeavouring to check the progress of a bush fire in that vicinity, was burned to death on Saturday.

FATAL ACCIDENT AT KINCARDINE.—Geo. Marrow, a farmer, belonging to Kincardine township, was fatally injured on Monday by being thrown out of his wagon, while in the village of Kincardine. The wagon passed over him.

DEFERRED MEDAL.—The Reformer says:—During the recent visit of His Excellency the Governor-General to Galt, he signified his intention of presenting a Gold Medal to the Collegiate Institute, to be competed for annually. The first competition will take place about Christmas.

VOLUNTEER CAMP AT GODERICH.—The 33rd Battalion, with the Goderich Garrison Battery of Artillery, about 800 men in all, are camped at Goderich for their annual drill. Col. Rose is in command. The Y.M.C.A. have a free reading room at the camp for the benefit of the men which is well patronized.

IN TROUBLE.—In the Toronto Police Court, on Tuesday, a man named Wm. Boyd, belonging to Guelph, was charged with stealing some carpenter's tools and a ham from Wm. Beasdale and others. Prisoner pleaded guilty, and was sentenced to three months' hard labour.

GETTING BETTER.—We are happy to state that Mr. John Mackenzie, of this town who was suddenly taken sick while on a visit to Scotland, is "getting better." Such is the contents of a cablegram received from Mrs. Mackenzie, yesterday, who left here a few weeks ago to attend the sick bed of her son, and who has just arrived there.

REFORM DEMONSTRATION IN WEST MIDDLESEX.—The Reformers of West Middlesex held a grand demonstration at Glencoe, on Tuesday. A very large number of people were present. Able and interesting addresses were delivered by the Hon. Messrs. Fraser and McKellar, T. Oliver, M. P. for North Oxford, J. Hawkins, Esq., Bramford; Dr. Wilson, M.P. for East Elgin, and Mr. Seachard, M.P. for North Middlesex.

ACCIDENT.—Last Friday a teamster named John Edmonds, in the employ of Mr. Maxwell of Paris, while driving along the Glenmorris road with a load of shingles, had a narrow escape from death. In going down a hill one of the bunches slipped off on the top of the horse when they instantly ran away, throwing their driver to the ground one of the wheels passing over his back. He was taken up insensible some time afterwards and conveyed to Paris where, by careful attendance, he is gradually recovering.

THE HERNDONS.—This popular Troupe appeared last night in the celebrated Wallachian play of Rosedale, or the Rifle Ball. The audience was considerably larger than on the previous evening, and the Troupe fully sustained the high reputation they have already earned by the excellent manner in which the different parts were rendered. Mr. T. J. Herndon as Elliott Gray and Mrs. Herndon as Rosa Leigh acted their parts in a masterly manner, as did also Mr. Harry Wilson as Col. May. Mr. John Ward as Bun-keny Cobb fairly brought down the house by his ridiculous eccentricities. The scene in the Gipsy Dell when the long-lost boy is again restored to his friends is deserving of special notice. The troupe appear again to-night in "Fanchon, the Croquet."

FAREWELL SUPPER.—In consequence of Mr. John Fielding, Oshpings, having sold out his hotel to Mr. Charles Anderson, and being about to vacate the premises, a large number of his friends and neighbors entertained him at a farewell supper on the 10th inst. After ample justice had been done to the good things provided, Mr. Fielding's health was proposed and drunk with all the honors, after which that gentleman returned thanks for the honor done him, and for the liberal patronage bestowed on him since he had been in business. Mr. Fielding was a very popular and obliging landlord, and his successor starts business in a very popular house. Mr. Fielding intends still to reside in the village.

FLORA HORTICULTURAL SHOW.—The Fall show of the Flora and Salem Horticultural Society was held on Friday last, in the Drill Shed. There was a fine display of flowers such as fuchsias, geraniums, double and single asters of every color, verbenas, stocks, clematis, petunias, marigolds, balsams, foliage plants, etc. Messrs. Haig, Brown, Simpson, Wadell, and Newman, were the principal exhibitors in flowers. There was a fine display of fruit and apples, and smaller fruits, were very good. Tomatoes, squashes, onions, Indian corn, beets and potatoes, were also good, and there were some fine heads of cabbage and cauliflower. The show was a very creditable one, and fully up to the average. We cannot find room for the prize list.
