After that addresses of welcome and replies will be delivered in

the body of the church, On motion of Dr. Potts, the general superintendent and Mayor Kennedy were named to reply on behalf of the conference, the former representing the ministers and the latter the laymen.

Dr. Potts should represent the conference. and Dr. Antliff moved that Dr. Potts and

Mr. Ed. Gurnev make the addresses. The

motion prevailed. A large number of memorials were submitted to their respective committees. Dr. Potts then read the report of the general secretary of education and the financial statements of Victoria Collegiand the Educational Society. The report death with the law delays at the commercement of the erection of Victoria Collegs in 1890. On the removal of the injunction tenders were received and accepted for the erection of the college building at a cost of \$185.051. In addition to the original contracts other supplementary work brought the entire cost of the building and turniture up to nearly \$222,-000. The entire amount available for pur-

poses of endowment is \$289,353 44. The following chairs are endowed. The Jackson Chair of Biblical and Moral Philosophy 24,473 15 The Nelles Chair of Ancient History. 40,000 00 The G.o. A. Cox Chair of New Testament Exegesis and Literature. The John Macdonald Chair of Latin Language and Literature The William Gooderham Chair of 25,000 00 40,000 03

of French Language and Literature 35,000 00
The Hart A. Massey Chair of the
English Bible and Homiletics..... 40,000 00 It may be of interest to note that in the university federation movement there are on the books 5,109 names, subscribing in all \$512,360 05, of which amount \$404,-110 61 has been paid; and of this number 633 ministers have subscribed \$33,703 80, of which already \$25,334 64 has been paid. The doctor hoped that during the present

quadrennium they would see the endowment raised to at least half a million dollars. The report further said: The Educational Society should be a great power in helping the educational interests of the church. It has in it great possibilities for good if properly worked. After the most urgent appeals, it is found that a large majority of the circuits report nothing beyoud the collections, and that means the balance after deducting the local envelopes placed on the plates. It is feared that many add nothing to the weekly offering envelopes, and therefore give nothing to the connexional collection. This fund could be doubled within the next few years if all the ministers would invest the anni-

versary with proper interest. The income from every part of the Dominion was as follows :- For 1891, \$19,555 56; for 1892, \$20,539 27; for 1893,

\$19,029 71; for 1894, \$19,468. Dr. Potts would recommend that the Educational Society be made more connexional in its administration. The Educational Society helps six colleges: Wesley College, St. Johns, Newfoundland, by allowing all raised by the Newfoundland Conference to go to the college; Mount Allison gets 14 per cent of the money available for col-leges; Montreal Wesleyan Theological College, 18 per cent; Wesley College, Winnipeg, 18 per cent, with all that the Manitoba Conference raises for the society; Victoria College, 50 per cent, out of which \$500 per annum has been paid to Albert College, Belleville, during the quadrennium

now closing. The receipts during the past quadrennium amounted to \$54,054 89; grants to colleges, \$44,758 20; expenses, \$9,259 48. The report was referred to the committee

plaining about. Technically he is not a member of the body.

Rev. T. M. Campbell-In that case the amendment will fall. Dr. Carman-No, sir; nothing tumbles. (Laughter.)

The report for the year ending July 31, 1894: All claims had been paid in full, and although the balance on hand at the beginning of the year amounted to \$1,719 47 an indebtedness had been incurred of \$1,044 64. However, since the books were closed, delayed remittances amounting to \$1,611 had been received, which more than balances the deficiency. The income was

in excess of last year by only \$142. Although the interest received from investments is \$635 50 more, the receipts from ministerial subscriptions were \$417 and from circuits \$76 29 less than the former year. The capital account had been increased by \$2,290 from ministerial subscriptions, and \$1,246 from legacies. At anticipated, the claims paid were in excess of previous year by about \$3,000.

Friday Morning. A heavy rain was falling when the second day's proceedings of the General Conference commenced at 9:30 this morning. After devotional exercises, Mr. D. Allison. LL.D., Rev. G. S. Milligan, LL.D., and Rev. Dr. McDonald were appointed to reply to the addresses of welcome this evening in addition to the delegates already appointed.

Further memorials were received and referred to committees. A notice of motion of peculiar significance was given. It relates to the Epworth League of Christian Endeavor, and was in effect that \$5 be submitted; and that payment shall be the society should simply be known as "Epworth League."
