BOARD WON'T DEAL WITH INCREASES

Public School Teachers' Request for Salary Boost Is Sent Over to 1912.

TOO LATE IN THE YEAR

Time to Consider Such Applications Is When the Estimates Are Being Considered, Say Trustees.

The question of increasing the salaries of the public school teachers will not be dealt with this year by the board of education.

Some time ago it was expected that a request would be received from the public school principals asking for an increase, but it failed to materialize. A request did come in from the lady teachers, however. They asked that the maximum be raised from \$750 to \$800.

At the meeting of No. 1 committee of the board on Friday, the question came up, but it was unanimously recommended to send the matter to next year's board. It was felt that the time to consider such things was when the estimates were being struck, not at the end of the year.

Those present were John M. Gunn, chairman; C. M. R. Graham, Dr. Teasdale, G. N. Weekes, Inspector Edwards, and Secretary McElheran.

"MACK" WAS PUT OUT OF MISERY

Big Chestnut Fire Horse Chloroformed in Stall Friday Night.

CITY WOULD NOT SELL HIM

Animal Had Put in Fifteen Years of Faithful Service on the Department.

"Mack," the big chestnut fire horse of the central station, is no more. For fifteen years he had been in the city's service, eleven of which he spent in drawing the service truck to all the fires here.

For some months he has been suffering from lymphangitis, but always recovered. Friday he was seized with the disease again, and Dr. Tamin, the veterinary, was called, and declared that the animal was no longer fit for service.

Fire Chief Aitken and Aid, Ashplant, chairman of No. 3 committee, had a conference, and decided that it would be better to destroy "Mack" than disfigure him to parties who might abuse him. As a result Dr. Tamin chloroformed him.

The animal was 20 years old. He was purchased for \$90 when he was five, and ever since that time he has been doing continuous service on the department.

"Mack" had served so long in the department, that I simply could not allow him to be sold," said the chief. "He was not worth much money, and the boys on the department could not see him abused. So we put him out of his misery."

He was the oldest horse in the department, and was on duty until yesterday. Mack knew the call of three fire chiefs—the late Chief Roe, the late Chief Clark, and Chief Aitken. He was kind and willing, and the chief Aitken is being praised for keeping him out of the hands of those who might abuse him.

UNIONIST PRESS A UNIT FOR LAW

No Chance of Austen Chamberlain or Long Ever Securing the Leadership.

[Canadian Press.] London, Nov. 18.—The Unionist press, both weekly and daily, is ringing with unanimous approval for Andrew Bonar Law, the new leader of the Unionist party in the House of Commons, whose first public speech at Leeds on Thursday, and his appearance in the House of Commons, it is declared, point to him as a worthy successor to Arthur J. Balfour. The Saturday Review
