ON THE SPORT TRAIL

The O. H. A. season is getting down to where some ancient grudge games are being staged. If the weather holds, there'll be some great hockey next month getting down to the finals.

Warton Red Men who were in and outers last year seemed to have struck something like their old stride again. Markdale beat Warton last year, but Wednesday night at the Sound, the Red Men sent the Markdale supporters home with nothing but their railway ticket stubs.

Some of these towns move out entirely to see a hockey game and leave nothing but the town pump behind when they get the hockey bug.

So Greyhounds beat North Bay, 4-2 Wednesday, but they were extended all the way. Tommy Munro, the London referee, is up in the north country handling the games.

Halleybury looks to have the intermediate series of the N. O. H. A. sewed up tight. The standing is:

Halleybury	Won. Lost. For. Avg.
New Liskeard	1 3 11 20
Cobalt	1 3 7 19

Varsity's defeat at Kitchener last night does not eliminate the Allan Cup holders from the O. H. A. senior race, but by a long shot. The collegians still have a chance, but will have to make a strong finish to stay in the running. Under the O. H. A. group, the teams finishing first and second play off for the championship. There are endless possibilities to what might happen. Today Aurs Lee leads the race with four wins and no defeats, but they have their hardest games yet to play, including two games with Granites and one each with Varsity.

Kitchener, Hamilton and Argonauts. Aurs Lee has the best goal average of any of the teams. Granites are in a good position, despite their defeat by Argonauts, as they have won both their away-from-home games at Hamilton and Kitchener. They have to meet Hamilton here on Saturday night and then take on Kitchener the following Friday at the Arena, to be followed by the return game with Varsity and two games with Aurs Lee. The Tigers have as good a chance to win out as any of them, due to their unexpected win on Kitchener ice. Kitchener will be a factor from now on, and the Argonauts are liable to cause an upset at any time. It's a great race, whichever way you look at it.

A big time is planned for the opening of the Galt Arena Friday night when Preston and Galt again play. The O. H. A. executive will practically be there in a body.

Percy Lesueur is very much in the eye of the hockey fans at present. Lesueur was one of the greatest players that ever lived on skates, and while with Ottawas was considered an authority on the game. No more stylish goalkeeper ever played forward of a net than Lesueur. He was a marvel at clearing and was seldom scored on by a rebound. He was the acme of grace, and every move he made was a picture.

Ottawa acquired Lesueur under dramatic circumstances in 1906. In that year Smiths Falls won the Federal League championship. They gave Ottawas a score when they challenged for the Stanley cup mainly through the wonderful work of Lesueur. That year Ottawas and Wanderers tied, and Ottawas

lawas' goalkeeper blew up in Montreal. This game was won, 9 to 1, by Wanderers. Ottawas were in desperate straits and imported Percy from Smiths Falls. The Senators evened up with Wanderers with ten minutes left to play. Lester Patrick broke loose twice in the concluding minutes and scored. There never was a more spectacular game, and the hero of the game was Lesueur. In his prime he was greater than any goaltend in the business. Lalonde once said of him that when Lesueur was playing, he was the greatest he ever played against.

Recalling that famous scene was a recent dispatch from Victoria which stated that Lester Patrick played goal for ten minutes, while Fowler was ruled off. Patrick is grey-haired now, but in his day was a wonderful player. He played regularly up to two years ago, but his only recent appearance was in the capacity of goaltend, and then only to fill an emergency.

Carson Cooper has not gone to the west after all. He figures that the offer from Saskatoon should be backed up by something better than promises, and unless some guarantee is given him in a financial way he will not go west.

And while talking about pro leagues if the Kitchener arena is ever built it is quite possible that they will slip into the National Hockey League. The latter would welcome them, along with another team, with open arms—Kitchener Ottawas and Wanderers tied, and Ottawas

Record.

GUELPH FANS GIVE REFEREE HOT TIME

Claim He Favored Kitchener Juniors in Last Night's Game.

GUELPH, Jan. 19. — Kitchener Juniors, touted coming champions of the O. H. A., received the scare of their lives in their fixture with the Guelph Juniors here tonight. It took them ten minutes overtime to defeat the same team which they beat last week in Kitchener 10 to 6. The local management is protesting tonight's game on three different accounts. Mainly because of the rank incompetence of referee Uffelman, of Waterloo, who failed to catch off sides on three of the occasions when the Kitchener team scored goals. There was an immense crowd on hand and the greatest of dissatisfaction prevailed over the action of the O. H. A. in sending Uffelman here to referee the game as he is a Kitchener man.

The local boys played an aggressive game from the start to finish and with just 30 seconds to go they scored what looked to be the winning goal but the

whole Kitchener team was shoved up on the forward line. Hemphill took a pass from Hearn and shoved the puck past Clough, evening the count. In the first five minutes of the overtime period Kitchener scored an easy goal from the wing and it looked like the winning count, but in the next five minutes Brill sent in an easy roller which Farrell let go just about four inches over the line and the score was tied again. This sent the crowd wild but in less than a minute Kitchener scored the winning goal when Hass took a trip up the ice, passed to Hearn, who beat Clough easily and the game was over a few seconds later.

Referee Uffelman was repeatedly booed during the game, and at the close the crowd surrounded him on the ice and he had to get police protection and finally sought out the seclusion of one of the dressing rooms until the crowd left the rink.

The stars for the Kitchener team were Hass and Moison, both on the forward line, while O'Halloran, Kelso and Clough, the kid goal tender, were best for Guelph.
