# CARSHOPS MEN MEET OUTDOORS

Crowd of 250 Workers Hear Election Address From John Colbert.

Two hundred and fifty workers at the Campbell street shops of the C. N. R. heard the political issues of 1925 discussed from labor's viewpoint at a noon meeting today held in the interests of John Colbert, Labor candidate in the federal elections of Oct. 29. It was the best midday rally of Labor since the cam-

Other speakers were H. B. Ashthis city. On account of the recent order prohibiting the use of the C. N. R. buildings for political purthe meeting was held out-in the face of a biting north-

'It is the sacred duty of every workingman to use his influence to develop labor that it may function as well in the political field and in the legislative chambers as the working class functions in these shops," Mr. Ashplant declared, amid

Utilities Commission Has \$20,-000 For Site, But None Selected Yet.

PLAN BIG PROGRAM

Appropriation of at Least \$30,-000 Will Be Needed Next Year.

Every school yard in the city will be used next summer for playgrounds purposes, according to plans now being entertained by members of the public utilities commission. Each school ground plant, Dr. H. A. Stevenson, ex-M.L.A., and J. F. Thomson, who act-will be supervised. These play centers will be for small children, up to the ed as chairman. Each speaker was age of 12 years, and a lady supervisor cheered lustily at the conclusion of his appeal for a Labor M.P. from ters of play, such as Thames Park, age of 12 years, and a lady supervision will be in charge of each. Larger centers of play, such as Thames Park, Queen's Park and the proposed McMahen playground, will serve older children as supervised athletic parks. An appropriation of at least \$30,000 will be needed by the playgrounds to carry out their 1926 program. Improvements at the Thames Park swimming pool are included in the present plans. The present appropriation is \$20,000, the same as in 1924.

#### New Playground.

The projected McMahen playground ill probably be in operation next year cording to the opinion of E. V. Buchanan, general manager of the pub-lic utilities commission. The McMahen bequest of \$20,000, for the purchase of a playground site, has not yet been put to use, largely because of impediments placed on the sales of desirable prop-

Associated Priss Despatch London, Oct. 19 .- A special committee of the privy council consisting of the Duke of Atholl, Right Hon. Major-Gen. J. E. B. Zeely, ex-M. P., Sir Henry Craig, and William Graham, M. P., financial secretary to the treasury in the late Labor government, will open an investigation in the Island of Jersey this week into the long-discussed question of the Channel Islands' contribution to the imperial treasury. There is little hope, however, that the commissioners will return with cheerful tidings.
Guernsey already has flatly indicated her indisposition to alter the present conditions with regard to contributing to the British exchequer which, so far as hard cash is con-cerned, means that the contribution from this part of the Channel Islands may remain negligible. Jersey takes a similar position with the addition that she questions the constitution ality of Great Britain's proposed levy formed a part of the United King-

#### MISSING DETROITERS FOUND SAFE ON ISLAND

Henry Escotter, Son, and Henry Witherall, Little the Worse For Experience.
