Where in their own rich light, The giant logs in a landar fall avery In glowing the per senong the askes gray. With tiny hands chood o'er her pearly toes, Watches the line blaze as it comes and goes, And wonders more and more Whence comestic sed light on her snowy feet, And surves to catch it in her singers sweet. SHOES, The happy mother sits

With folded hands, her weary work all done,
With the last smiling of the harvest sun,
And lists her over love lit,
To the low practic of her didest born,
Whose check is down as the early morn. In homespur garb of gray,
The father sitting by it a window wide,
Unfolds his paper with an incises pride,
And in his homely way
Reads of the pendy of state—its wealth and artWith scarce one envious longing in his heart. PPERS, 🖾 Upon the lowly steps
The greads me watcher for the coming moon,
While murmers of some neither membered tune
A proper from her lades lips;
She dreams again of older days more tair.
Nor marks the stadows fitting o'er her heir. O baby, glad with play!
O mother, knowing not the hear's recoil!
O father, weared only by your toil!
O grandame, oil and gray!
Would that the quiet of your day's decline
Might hus the throbbing of this life of m ne. 3 BLES, with A'Train Man's Opinion About Arms They Are Not Always What They You must have hold of a large number of arms in the course of a day," said a reporter to a Central Hudson train man 187 a few days since. Yes, we do; I've never stopped to count them, but when we reach the end the tire," and he held up the memon the right side for inspection. "How do'the arms run as to size?" "Well, there is a great deal of difference. Country women have a better formed arm than city women; I can almost always tell them on that account. They all do more work and have better food, and that goes a great way towards giving their arms a good propor-OT. have well-proportioned arms?"
"They seem to, but I've found that appearances are very deceitful in a great many cases. I have had hold of many an arm to-day where I could take my outh the sleeve was filled on the inside part of the si rates. nd Victoria can distinguish so well.' There are lots of on the conversation came to a close .-What He Wanted.

What He Wanted.

"Mister," said a weazzen faced man to an up-town druggist, "gimme a quarter" belonging the control of the up-town druggist, "gimme a quarter" belonging the control of the Union station by the ears worth o' prussic acid, please."

What He Wanted.

"Mister," said a weazzen faced man to an up-town druggist, "gimme a quarter than who is full of wheels and the up-town druggist, "gimme a quarter than who is full of wheels and the up-town druggist, "gimme a quarter than who is full of wheels and the up-town druggist, "gimme a quarter than who is full of wheels and the up-town druggist, "gimme a quarter than the up-town druggist, "gimme a quarter than who is full of wheels and the up-town druggist, "gimme a quarter than the up-town dr wheeled men in this world. They ca er's worth o' prussic acid, please."

"Prussic acid!" yelled the druggist;

"why, man, it is a deady poison. What philosophy and science, and to learn how to handle tools, to analyze steam, "why, man, it is a deadly poison. What do you want with pressic acid " to post yourself on whatever is worth Don't want nuthin' with prussic acid," replied the min; "want essence knowing. You will discover as you grow of vulerian. Other night a man axed, up that the man who knows the least is fur valerian out in Pittsburg an' got the greatest bigot to argue with and the prussic acid. Diln't v nt to git none o' meanest man with whom to transact

"Ah! boy, if you only realized how much this country will depend upon you in twenty years hence, you wouldn't waste your time. You will sooner or later have to take hold as the rest of us There will be the same strife for place and fame and riches as you see to ay, and the boy who has wasted his e will be the man who is pushed ere and jostled there, because he is i the way of the busy, money making world." - M. Quad in Detroit Free

The Spriever's Fien Exterminator. Marion Cobb, a responsible gentleman of the Lusby's Mill precinct, Ky., says he saw a squirrel acting in a very peculi manner up in the top of a tree, and it caused him to stop and watch its actions. Pretty soon it came down the tree bearing a bunch of something in it mouth, and went directly to the cree When it got to the edge of the water it turned round and backed into the creek until the water covered it entirely, ex cept the tip of its nose, when it let the bunch, which floated off down t creek. To gratify his curiosity, Marion went down and got the bunch, and found, he says, that it had a million fleas on it. -Owenton News.

Eve's Side of the Apple Story. To this day they are denouncing Eve in the Appel late court with Adam. The story as told by Adam's friends is believed; but just well till Eve gives, her evidence in the case. The chances are that Adam got away with the best part of the fruit, and returned to Mrs. Adam a small piece of the core. If Adam possessed the same characteristics that most of the men of the present decade are the possessors of, the chances are secun to eight that he did. Eve was very fortunate in getting a nibble of the core, even if she never had an oppor-Pretzets Weckly.

ought to patronize, that must be regulated by want and habit. To digest well, it is necessary that the stomach should have completely dealt with the previous meal.

To digest well, it is necessary that the stomach should have completely dealt with the previous meal.

However, feeble and delicate atomachs have TORONTO POSTAL QUIDE. need to eat but little at a time thought along quently; also, to make an intelligent selection of those aliments which refresh, heat and sustain. The aliment which digests best is the most suitable. Digestion is but the preference of the stomach for something it likes, the attraction of suitable ingredients; it is the sustaining of our organs and it the stomach be gredients; it is the sustaining of data and their tissues, and if the stemach be healthy and well-constituted its instinct will never be at fault. "Strawberries and cream make me and," said Madame de Deffand, but they agreed with her not the less.

-People who read and reflect, after read-

We can be thankful to a friend for new acres, or a little money, and yet for the freedom and command of the whole earth, and for the great benefits of our being, our life, health and reason, we look upon our-selves under no obligations. -Mr. Alexander Robinson of Exeter, in

writing about one of the most popularticles, and one that has done more good He was once asked to read a letter of during the short time it has been in exist All ways of earning his bread are alike becoming to an honest man, whether to split wood or to sit at the helm of state. It does not concern his conscience how useful he is, but how useful he would be.

You can depend upon Hagyard's Yellow Oil ca a relieve; in the mutism, neuralgia, and all pair and inflammatory complaints. It not only relieves but overs

Great character is as rare a thing as great genius, if it be not even a nobler form of it. Surely it is easier to embody fine thinking, or delicate sentiment, or lofty appraxion in a book than in life. Robert Lubbuck, Cedar Rapids, writes:
"I have used Dr. Thomas' Eelectric Oit
both for myself and family for diphtheria,
with the very best results. I regard it as
the best remedy for this disease, and
would use no other." When buying Dr. Thomas' Eelectric Oil, see that you get the genuine. Beware of-initations. I would not have the impure water, which has long been unfit to use, preserved. But I would not have it thrown away before we know whence to get

-P. M. Markell, West Jeddore, N. S. writes: "I wish to inform you of the wonderful qualities of Dr. Thomas' Eylectric Oil. I had a horse so lame that he could scarcely walk; the trouble was in the kee; and two or three applications completely cured him." All men who know not where to look for

truth save in the narrow well of self-will find their own image at the bottom, and mistate it for what they are seeking. -Worms cause feverishness, meaning and restlessness during sleep. Mother Graves' Worin Exterminator is pleasant, sure, and effectual. If your druggist has none in stock got him to procure it for Not the truth of which any one is,

supposes himself to be, possessed, but the upright endeavor he has made to arrive at truth, makes the man. -A field of corns.-Thomas Sabin o

—A heid of corns.—Thomas Sabin of Eglrogton, says: "I have used Holloway's Corn Care with the best results, naving-removed ton corns from my feet. It is not a half way care or reliever, but a complete extinguisher, leaving the sire smooth and clear from the least appearance of the cours." of the corns. It there ever was a good man be certain there was another, and will be more.

strike belonging not to him, is like one that taketh a dog by the ears.

varioe still more rapidly. Some of the heat lots in West Torouse are to be had from George Clarke, 295 Young street. Youth soows but half; trust Gol; see all, not be afraid."

An ource of pluck is worth a pound Talent is that which is in a man's power genius is that in whose power a man is.

A Princely Forence. -A man may possess the former of Prince but can never possess happine without good health; to secure which the blood must be kept pure and every organ in preper action. Burdock Blood Bitters purify the blood and regulate all the or
